- Mechanisms bolted to the frame with t-bolts.
- Five no-sag springs with tie wires.
- Delrin bushings on all mechanisms for smooth operation.
- Upholstered handles and underside for a finished look.
- Padding on sides and backs for safety.
- High resilience 1.8 density seat foam for superior durability and comfort.
- Hardwood frames with mortise and tenon construction.

SETUP INSTRUCTIONS

The BarcaLounger Presidential II Manual Recliner is designed for minimal assembly. Typically, no complex assembly is required beyond attaching the backrest and feet.

1. **Unpacking:** Carefully remove all packaging materials from the chair. Ensure all components are present.
2. **Attaching the Backrest:** The backrest slides onto the main chair frame. Align the metal brackets on the backrest with the corresponding slots on the chair base and slide down until securely locked.
3. **Attaching the Feet:** Screw the wooden feet into the designated threaded holes at the bottom of the chair. Ensure they are tightened securely to provide stability.

4. **Placement:** Position the recliner in your desired location, ensuring adequate space behind the chair for reclining.

OPERATING INSTRUCTIONS

The Presidential II is a manual recliner, offering ease of use for various reclining positions.

1. **To Recline:** To engage the reclining mechanism, gently push back on the chair's backrest while simultaneously

pushing forward on the armrests. The footrest will extend, and the backrest will recline.

2. **Adjusting Recline Position:** The chair offers two reclining positions. Continue to apply pressure to the backrest to achieve the desired angle.
3. **To Return to Upright Position:** To bring the chair back to its upright position, gently push down on the footrest with your legs and lean forward. The footrest will retract, and the backrest will return to the seated position.

MAINTENANCE

Proper care will extend the life and appearance of your recliner.

- **Cleaning:** For general cleaning, use a soft, dry cloth. For spills or stains, follow the "Spot Wash" instructions. Use a mild leather cleaner specifically designed for top grain leather, testing in an inconspicuous area first.
- **Spot Wash:** Apply a small amount of mild soap solution to a clean cloth and gently blot the stained area. Do not rub vigorously. Wipe with a clean, damp cloth to remove soap residue, then dry immediately with a clean, dry cloth.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause leather to fade and dry out. Position your recliner away from direct sunlight or use window coverings.
- **Avoid Heat Sources:** Keep the recliner away from heat sources like radiators or fireplaces to prevent drying and cracking of the leather.
- **Fluffing Cushions:** Periodically fluff and rotate removable cushions to maintain their shape and even out wear.

TROUBLESHOOTING

If you encounter any issues with your recliner, please refer to the following common solutions:

- **Reclining Mechanism Stiff:** Ensure the chair is placed on a level surface and there are no obstructions behind or beneath it. Apply gentle, even pressure when reclining.
- **Footrest Not Engaging/Retracting:** Check for any objects obstructing the footrest mechanism. Ensure the backrest is fully engaged in the upright position before attempting to retract the footrest.
- **Loose Components:** Periodically check all screws and bolts, especially those securing the feet and backrest, and tighten if necessary.
- **Squeaking Noises:** Apply a small amount of silicone-based lubricant to moving metal parts of the reclining mechanism if squeaking occurs. Avoid oil-based lubricants on wooden parts.

For persistent issues not resolved by these steps, please contact customer support.
