Georgia-Pacific GPC20085

Georgia-Pacific Professional All-Purpose Perforated Dry Wipes Instruction Manual

Brand: Georgia-Pacific | Model: GPC20085

Product Overview

The Georgia-Pacific Professional 20085 All-Purpose Perforated Dry Wipes are engineered for superior strength, softness, and absorption. These double recrepe (DRC) wipers are ideal for medium-duty applications, effectively cleaning up both water-based and oil-based messes. The convenient perforated rolls ensure quick and easy dispensing, making them suitable for various professional environments.

Setup

The Georgia-Pacific Professional 20085 Dry Wipes are designed for immediate use. No complex assembly is required.

1. **Unpack:** Carefully remove the desired number of rolls from the case packaging.
2. **Placement:** Place the roll in a suitable dispenser if one is being used, or position it conveniently for manual access in the work area.

Operating Instructions

Follow these steps for effective use of the dry wipes:

1. **Dispense:** Locate the perforation line on the roll. Gently pull the wipe until the perforation is visible.
2. **Tear:** Tear along the perforation to separate a single wipe from the roll.
3. **Use:** Apply the wipe to the surface or area requiring cleaning. The wipes are suitable for absorbing liquids, wiping surfaces, and general cleaning tasks.
4. **Disposal:** Dispose of used wipes according to local waste disposal regulations. These are single-use wipes.

Care and Storage

To maintain the quality and effectiveness of your Georgia-Pacific Professional Dry Wipes, observe the following care and

storage guidelines:

- Store rolls in their original packaging until ready for use to protect them from dust and moisture.
- Keep the wipes in a cool, dry place, away from direct sunlight and extreme temperatures.
- Avoid storing near open flames or sources of ignition.
- Ensure the storage area is free from pests and contaminants.

Troubleshooting

While these wipes are designed for simplicity, here are some common observations and their resolutions:

Issue	Possible Cause	Resolution
Wipe does not tear cleanly along perforation.	Incorrect tearing angle or excessive force.	Ensure you are pulling directly along the perforation line. Apply steady, gentle pressure.
Wipes feel damp or less absorbent.	Improper storage, exposure to humidity.	Store wipes in a dry environment. Discard any wipes that have been compromised by moisture.

Product Specifications

Brand	Georgia-Pacific
Model Number	GPC20085
Product Dimensions	23.5 x 19 x 11.8 inches (Case)
Item Weight	18 pounds (Case)
Sheet Count per Roll	84
Wipe Dimensions	11 x 9 3/8 inches
Material Type	Double Recrepe (DRC)
