

## Spotlight 44501

# Spotlight LED Flashlight User Manual

Model: 44501 | Brand: Spotlight

### INTRODUCTION

Thank you for choosing the Spotlight LED Flashlight. This compact and durable flashlight is designed for convenience and reliability, providing bright illumination in various conditions. Featuring a 5mm LED, it delivers 15 lumens of light, illuminating up to 4.5 meters. With a burn time of over 60 minutes, it's perfect for everyday use. Its small size and easy-to-use switch make it an ideal portable lighting solution. This manual provides essential information for the proper setup, operation, and maintenance of your flashlight.

### PRODUCT OVERVIEW

*Image: Spotlight LED Flashlight (Red)*

This image displays the red LED flashlight. It features a compact, cylindrical body made of anodized aluminum, with a textured surface for grip. The front end houses the LED light source, emitting a bright white light. The rear end is equipped with a black and silver carabiner clip, allowing for easy attachment to keychains or gear. The word 'spotlight' is visible in white lettering along the side of the flashlight body.

### Key Features:

- 5mm LED providing 15 lumens of brightness.
- Illumination range of 4.5 meters.
- Over 60 minutes of continuous burn time.
- Compact size with an easy-to-grip body.
- Includes a mounting ring (carabiner clip) and extra LR521 batteries.
- Durable anodized aluminum body.

## SETUP

---

Your Spotlight LED Flashlight comes ready for use, but it's important to understand its components and initial setup.

### Battery Installation:

The flashlight operates on LR521 batteries. While it typically comes with batteries pre-installed, you may need to replace them or install the included extra batteries.

1. Unscrew the head of the flashlight counter-clockwise to open the battery compartment.

- 2. Insert the LR521 batteries, ensuring the correct polarity as indicated inside the compartment.
- 3. Screw the head back on clockwise until it is securely tightened. Overtightening is not necessary.

Attaching the Mounting Ring:

The flashlight includes a carabiner clip for easy attachment.

- Attach the carabiner clip to the small loop at the tail end of the flashlight.
- Ensure the clip is securely fastened before attaching it to keychains, backpacks, or other gear.

OPERATING INSTRUCTIONS

The Spotlight LED Flashlight features a simple twist-on/off mechanism.

- 1. **To Turn On:** Gently twist the head of the flashlight clockwise until the LED illuminates.
- 2. **To Turn Off:** Twist the head of the flashlight counter-clockwise until the light turns off.

*Note:* Do not force the twist mechanism. A gentle turn is sufficient for activation and deactivation.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your flashlight.

- **Cleaning:** Wipe the flashlight body with a soft, dry cloth. Avoid using abrasive cleaners or solvents.
- **Battery Care:** If the flashlight will not be used for an extended period, remove the batteries to prevent leakage and potential damage to the device. Dispose of used batteries responsibly according to local regulations.
- **Water Resistance:** While the flashlight is waterproof, ensure the head is securely tightened to maintain its water resistance. Avoid prolonged submersion in water.

TROUBLESHOOTING

If you encounter issues with your Spotlight LED Flashlight, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Flashlight does not turn on.	Batteries are dead or low.	Replace batteries with new LR521 cells.
	Batteries are inserted incorrectly.	Check battery polarity and reinsert correctly.
	Head is not twisted on securely.	Twist the head clockwise until the light activates.
Light is dim or flickers.	Batteries are low.	Replace batteries.
	Loose connection.	Ensure the head is securely tightened.

SPECIFICATIONS

Feature	Detail
Color	Red
Size	One Size
Weight	18.14 grams

Feature	Detail
Light Source Type	LED (5mm)
Number of Items	1
Power Source	Battery Powered
Batteries Included?	No, but extra LR521 batteries are included in the package.
Brand	Spotlight
Manufacturer	Spotlight
Manufacturer Reference	44501
Product Dimensions	16.26 x 6.6 x 0.25 cm
ASIN	B005FSSWHA
First Available Date	August 6, 2012
Lumen Output	15 lumens
Illumination Range	4.5 meters
Burn Time	Over 60 minutes
