Honey-Can-Do SHF-01903 Adjustable Storage Shelving Unit User Manual

Model: SHF-01903

INTRODUCTION

This manual provides essential information for the assembly, operation, and maintenance of your Honey-Can-Do SHF-01903 3-Tier Chrome Steel Urban Adjustable Storage Shelving Unit. Designed for versatility and durability, this unit offers instant visible and accessible storage space. Its contemporary chrome finish and robust steel frame make it suitable for various environments, including mudrooms, garages, and commercial kitchens.

Key features include:

- Rated for 250 lbs per shelf.
- Adjustable height shelves for flexible storage configurations.
- Three 14-inch x 24-inch shelves.
- Suitable for both residential and commercially rated use.
- No-tool assembly for quick setup.

SETUP AND ASSEMBLY

The Honey-Can-Do SHF-01903 shelving unit is designed for easy, no-tool assembly. Please ensure all components are present and undamaged before beginning. For detailed step-by-step instructions, refer to the official Installation Manual PDF linked below.

MAINTENANCE

To ensure the longevity and appearance of your Honey-Can-Do shelving unit, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the unit with a dry cloth to remove dust and debris. For more stubborn marks, a damp cloth with mild soap can be used, followed by thorough drying to prevent water spots or rust.
- **Inspection:** Periodically check all connections and ensure shelves are securely seated on the clips. Tighten any loose parts if necessary.
- **Environment:** While durable, avoid prolonged exposure to excessive moisture or harsh chemicals, which may affect the chrome finish.

TROUBLESHOOTING

Most issues with the Honey-Can-Do shelving unit can be resolved by ensuring proper assembly and load distribution. If you encounter any problems, consider the following:

- **Instability/Wobbling:** Ensure the unit is on a flat, level surface. Verify that all shelves are properly seated on their clips and that the clips are at the same height on each pole.
- **Bent or Damaged Components:** If any part of the unit appears bent or damaged upon arrival or during use, do not attempt to force assembly or overload the unit. Contact customer support for assistance.
- **Missing Parts:** If any parts are missing from your package, refer to the parts list in the installation manual and contact customer support for replacements.
