## SoundMAGIC E10

# SoundMAGIC E10 Wired Earphones Instruction Manual

## INTRODUCTION

Thank you for choosing SoundMAGIC E10 Wired Earphones. These earphones are designed to deliver high-fidelity stereo sound with powerful bass and balanced musical detail. The robust aluminum construction and tangle-free cable ensure durability and a comfortable listening experience. This manual provides essential information for the proper setup, operation, and maintenance of your SoundMAGIC E10 earphones.

The SoundMAGIC E10 has received multiple accolades, including the WHAT Hi-Fi? award for best in-ear headphones for six consecutive years, recognized for its detailed, dynamic, and exciting sound quality.

## WHAT'S IN THE BOX

Image: Contents of the SoundMAGIC E10 package, including earphones, various eartips, cable clip, and travel pouch.

- SoundMAGIC E10 Earphones (Gunmetal)
- 3 pairs of dome-shaped silicone eartips (Small, Medium, Large)
- 3 pairs of flat silicone eartips (Small, Medium, Large)
- 1 pair of double flange silicone eartips (Medium)
- Cable clip
- Travel pouch

## SETUP AND FIT

### 1. Selecting the Right Eartips

Choosing the correct size and style of eartips is crucial for optimal sound quality and comfort. Experiment with the different included eartips (dome-shaped, flat, double flange) to find the best fit for your ears. A proper seal will enhance bass response and noise isolation.

Image: SoundMAGIC E10 earphones shown with different eartip options.

## 2. Wearing the Earphones

Gently insert the earphones into your ear canals. The ergonomic design ensures a comfortable and secure fit. Ensure the left earphone (marked 'L') is in your left ear and the right earphone (marked 'R') is in your right ear for proper stereo imaging.

# Comfortable In-Ear Fit

Lightweight

Good noise isolation

## 3. Connecting to Your Device

Plug the 3.5mm jack into the headphone port of your audio device (smartphone, tablet, laptop, MP3 player, etc.). Ensure the connection is secure.

## OPERATING INSTRUCTIONS

The SoundMAGIC E10 earphones feature an in-line control with a microphone (if applicable to your specific model, though the E10 is typically without a microphone).

- **Play/Pause:** Press the center button once.
- **Next Track:** Press the center button twice quickly.
- **Previous Track:** Press the center button three times quickly.
- **Answer/End Call:** Press the center button once during an incoming call or during a call.
- **Volume Control:** Use the volume buttons on your connected device.

## MAINTENANCE

- **Cleaning:** Regularly clean the eartips with a soft, damp cloth. Ensure no moisture enters the earphone drivers.
- **Storage:** When not in use, store your earphones in the provided travel pouch to prevent tangling and damage.
- **Cable Care:** The twisted-pair cable is designed to be tangle-free. Avoid excessive pulling or sharp bends to prolong its lifespan.
- **Moisture:** While durable, avoid exposing the earphones to excessive moisture or liquids. They are not submersible.

## TROUBLESHOOTING

Problem	Solution
No sound or low volume	<ul style="list-style-type: none"><li>◦ Ensure the 3.5mm jack is fully inserted into the device.</li><li>◦ Check the volume level on your audio device.</li><li>◦ Test with another audio device to rule out device issues.</li><li>◦ Ensure eartips are clean and not obstructed.</li></ul>
Poor sound quality (e.g., weak bass, tinny sound)	<ul style="list-style-type: none"><li>◦ Ensure you have a proper seal with the correct size eartips.</li><li>◦ Check for debris or wax buildup in the eartips or earphone nozzles.</li><li>◦ Test with another audio source to verify the issue is with the earphones.</li></ul>
Earphones fall out easily	<ul style="list-style-type: none"><li>◦ Try different sizes or types of eartips (e.g., double flange for a more secure fit).</li><li>◦ Ensure the cable is not pulling on the earphones. Use the included cable clip if necessary.</li></ul>

## SPECIFICATIONS

**Model Name:** SoundMAGIC E10

**Connectivity Technology:** Wired

**Headphones Jack:** 3.5 mm Jack

**Noise Control:** Sound Isolation

**Material:** Aluminum

**Cable Feature:** Tangle Free

**Item Weight:** 10 Grams (0.353 ounces)

**Product Dimensions:** 0.79 x 0.39 x 47.24 inches

**Impedance:** 46 Ohm

**Audio Driver Type:** Dynamic Driver

**Manufacturer:** SoundMAGIC
