Star Trading 232-00

Star Trading Karo Mini Star Lamp Instruction Manual

Model: 232-00

1. PRODUCT OVERVIEW

The Star Trading Karo Mini Star Lamp is a decorative lighting fixture designed to create a warm and inviting atmosphere. It features a paper star shade mounted on a solid wooden base with a metal rod. This lamp is suitable for indoor use and comes with an E14 socket for a light bulb (not included).

Figure 1: Fully assembled Star Trading Karo Mini Star Lamp.

Key Features:

- Decorative paper star shade for ambient lighting.
- Solid wooden base and metal rod for stability.
- Equipped with an E14 lamp socket.
- Includes a 1.8-meter power cable with an in-line dimmer switch.
- Dimensions: 55 cm height x 34 cm width.

2. SAFETY INFORMATION

Please read all safety instructions carefully before assembly and use. Retain this manual for future reference.

- **Indoor Use Only:** This product is designed for indoor use in dry locations. Do not expose to moisture or extreme temperatures.
- **Electrical Safety:** Ensure the power outlet voltage matches the lamp's requirements. Always unplug the lamp from the power source before cleaning or replacing the bulb.
- **Bulb Type:** Use only E14 bulbs with a wattage appropriate for the fixture (refer to specifications for maximum wattage). Do not exceed the recommended wattage.
- **Handling:** The paper star shade is delicate. Handle with care during assembly and maintenance to avoid tearing or damage.
- **Placement:** Place the lamp on a stable, flat surface to prevent tipping. Keep away from flammable materials.
- **Children and Pets:** Keep the lamp out of reach of children and pets to prevent accidental damage or injury.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before proceeding with assembly.

- Paper Star Shade (Karo Mini)
- Wooden Base
- Metal Rod with E14 Lamp Socket
- Power Cable with Dimmer Switch (1.8 meters)
- Instruction Manual (this document)

4. SETUP AND ASSEMBLY

Follow these steps to assemble your Star Lamp:

1. **Unpack Components:** Carefully remove all parts from the packaging.
2. **Prepare the Paper Star:** Gently unfold the paper star shade. It is designed to expand into its star shape.
3. **Insert Bulb:** Screw an E14 light bulb (not included) into the lamp socket located at the top of the metal rod. Ensure the bulb is securely fastened but do not overtighten.
4. **Attach Star Shade:** Carefully place the unfolded paper star shade over the metal rod and bulb. The star shade has an opening at its base that fits around the socket. Secure the star shade using the provided cord and stopper mechanism, ensuring it is centered and stable.
5. **Connect Power:** Insert the power cable plug into a suitable electrical outlet.

5. OPERATING INSTRUCTIONS

Once assembled and plugged in, operate the lamp as follows:

- **Power On/Off:** Use the in-line switch on the power cable to turn the lamp on or off.
- **Dimmer Function:** The power cable includes a dimmer switch. Rotate the dimmer knob to adjust the brightness of the light to your desired level.

6. MAINTENANCE

Proper maintenance ensures the longevity and appearance of your lamp.

- **Cleaning:** Disconnect the lamp from the power supply before cleaning. Use a soft, dry cloth to gently wipe the paper star shade and wooden base. Do not use liquid cleaners or abrasive materials, as these can damage the finish or paper.
- **Bulb Replacement:** Ensure the lamp is unplugged and the bulb has cooled completely before attempting to replace it. Unscrew the old E14 bulb and screw in a new one of the correct type and wattage.
- **Storage:** If storing the lamp, carefully disassemble the paper star shade and store all components in their original packaging or a protective container to prevent damage.

7. TROUBLESHOOTING

If you encounter issues with your lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Lamp does not turn on.	◦ Not plugged in. ◦ Bulb is loose or burnt out. ◦ Power outlet is not functioning. ◦ Dimmer switch is off or faulty.	◦ Ensure the power cable is securely plugged into a working outlet. ◦ Check and tighten the bulb. Replace if burnt out. ◦ Test the outlet with another device. ◦ Ensure the dimmer switch is turned on and functioning.
Light flickers or is dim.	◦ Loose bulb connection. ◦ Incorrect bulb wattage. ◦ Dimmer setting is too low.	◦ Tighten the bulb. ◦ Ensure the bulb wattage is within the specified range. ◦ Adjust the dimmer switch to a higher setting.
Paper star shade is damaged.	◦ Improper handling during assembly or cleaning.	◦ Handle the paper shade with extreme care. Replacement shades may be available from the manufacturer or retailer.

8. SPECIFICATIONS
