Incendies Movie Information Guide

ASIN: B005J2J87K

INTRODUCTION

This document provides information regarding the film "Incendies" (ASIN: B005J2J87K). As "Incendies" is a motion picture, it does not require a traditional product instruction manual with sections such as setup, operation, maintenance, or troubleshooting. This guide offers details relevant to its viewing and content.

ABOUT THE FILM

Incendies is a 2010 Canadian drama film directed by Denis Villeneuve. It tells the story of Jeanne and Simon Marwan, twins who travel to their mother's native country in the Middle East to uncover her past and fulfill her last wishes. The film is known for its powerful narrative and critical acclaim.

- **Prime Video Rating:** R
