OPERATING INSTRUCTIONS: HEIGHT ADJUSTMENT

The table features adjustable legs to customize its height for various age groups and activities.

1. To adjust the height, locate the adjustment pins on each leg.
2. Press the pin inward and slide the inner leg section up or down to the desired height. Ensure the pin locks securely into one of the pre-drilled holes.
3. Repeat this process for all four legs, ensuring they are set to the same height for stability. The legs can extend up to 9 inches, providing an overall table height range from 14.5 inches to 23.75 inches.

MAINTENANCE AND CARE

Proper care ensures the longevity and appearance of your activity table.

- **Cleaning:** Use a water-based cleaner (W-Water based cleaner) for the plastic tabletop and legs. Wipe spills promptly to

prevent staining.

- **Inspection:** Periodically check all leg connections and adjustment pins to ensure they are secure and functioning correctly.
- **Storage:** Store the table indoors to protect it from extreme temperatures and weather conditions.

SAFETY INFORMATION

Please observe the following safety guidelines:

- **Supervision:** Always supervise children during use of the table.
- **Rounded Edges:** While the table features rounded edges to reduce injury risk, they do not eliminate all potential for injury.
- **Stability:** Ensure the table is assembled correctly and all legs are adjusted to the same height to prevent tipping.
- **Weight Limit:** Do not exceed the maximum static weight load of 220 pounds.
