Looper DVD Instruction Manual

Model: MFR043396413511

1. INTRODUCTION

Welcome to the instruction manual for your Looper DVD. This guide provides essential information for setting up, operating, maintaining, and troubleshooting your DVD to ensure an optimal viewing experience. Looper is a futuristic action thriller where time travel is illegal but used by the mob to send targets 30 years into the past for assassination by 'loopers'.

2. SETUP

Follow these steps to prepare your Loper DVD for playback:

1. **Unpack the DVD:** Carefully remove the DVD disc from its case. Hold the disc by its edges to avoid touching the playing surface.
2. **Inspect the Disc:** Check the disc for any visible scratches, smudges, or dust. If necessary, gently

clean the disc using a soft, lint-free cloth, wiping from the center outwards.

3. **Insert into Player:** Open the disc tray of your DVD player or computer's optical drive. Place the Looper DVD disc with the label side facing up onto the tray. Close the disc tray.
4. **Power On:** Ensure your DVD player and television are powered on and correctly connected. Select the appropriate input source on your television.
