4. SETUP AND ASSEMBLY INSTRUCTIONS

This shelf unit features a tool-free assembly process. Follow these steps for quick and easy setup:

- 1. Prepare the Base:** Place one shelf panel on a flat, clean surface. Insert four round legs into the designated holes on the bottom of this panel.
- 2. Attach First Tier Poles:** Take four long poles and screw them into the top of the round legs. Ensure they are hand-tightened.
- 3. Add Second Shelf:** Carefully align the next shelf panel over the four long poles. The poles should screw into the holes on the underside of this panel. Tighten securely.
- 4. Repeat for Remaining Tiers:** Continue adding long poles and shelf panels, alternating layers, until all four shelves are in place.
- 5. Secure Top Caps:** On the top-most shelf, insert the four top caps into the remaining holes.
- 6. Wall Anchoring (Optional but Recommended):** For added stability, especially in households with children or pets, use the provided wall anchor kit to secure the unit to a wall.

5. OPERATING INSTRUCTIONS

Once assembled, the shelf is ready for use. To ensure optimal performance and longevity:

- **Placement:** Position the shelf on a level surface to prevent wobbling.
- **Weight Distribution:** Distribute weight evenly across the shelves. Avoid placing heavy items on upper shelves to maintain stability. Each shelf supports up to 15 lbs, with a total unit capacity of 60 lbs.
- **Intended Use:** This unit is designed for displaying and storing lightweight items such as books, decorative objects, and small household goods.

6. MAINTENANCE

To keep your Furinno shelf in good condition:

- **Cleaning:** Wipe clean with a soft, damp cloth.
- **Chemicals:** Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Inspection:** Periodically check all connections to ensure they remain tight. Re-tighten if necessary.

7. TROUBLESHOOTING

- **Wobbling:** If the unit wobbles, ensure it is placed on a level surface. Check that all poles are securely tightened into the shelf panels. Consider using the wall anchor kit for enhanced stability.
- **Missing Parts:** If any parts are missing upon arrival, contact Furinno customer support for assistance.
