

ECHO SRM-225

ECHO SRM-225 Gasoline-Powered String Trimmer User Manual

Model: SRM-225

IMPORTANT SAFETY INFORMATION

Please read and understand all safety warnings and instructions before operating this product. Failure to follow these instructions may result in serious injury.

- Always wear eye and ear protection.
- Avoid contact with skin.
- Keep bystanders at a safe distance from the operating area.
- This product uses flammable liquids and gases. Handle with extreme care.

PRODUCT OVERVIEW

The ECHO SRM-225 is a gasoline-powered string trimmer designed for efficient lawn and garden maintenance. It features a 21.2 CC engine and a 17-inch cutting width, making it suitable for various trimming tasks.

Image 1: The ECHO SRM-225 gasoline-powered string trimmer, showcasing its full assembly with the engine, shaft, and trimmer head.

Key Features:

- 21.2 CC professional-grade, 2-stroke engine for powerful performance.
- 17-inch cutting swath for efficient trimming.
- Speed-Feed 400 trimmer head for quick and easy line loading without disassembly.
- Ergonomic, padded handles designed to reduce vibration during operation.
- i-30™ starting system reduces starting effort by 30%.
- Durable debris shield with cut-off knife for user protection and line management.
- Works with several attachments for a variety of jobs (attachments sold separately).

Image 2: Detailed view of the ECHO SRM-225 highlighting key components such as the 21.2 cc engine, rubber over-molded grip, 59" straight shaft, 17" cutting swath, Speed-Feed® 400 trimmer head, durable debris shield, 14.2 fl oz fuel tank, and i-30™ starting system.

SETUP AND ASSEMBLY

The ECHO SRM-225 requires some assembly before first use. Ensure all components are present and undamaged before proceeding.

Required Tools:

- Combination wrench (usually included)
- Screwdriver (if applicable)

Assembly Steps:

1. **Attach the Debris Shield:** Secure the debris shield to the trimmer head assembly using the provided

bolts and nuts. Ensure it is firmly attached to prevent debris from being thrown towards the operator.

2. **Install the Trimmer Head:** If not pre-installed, attach the Speed-Feed 400 trimmer head to the shaft. Follow the specific instructions in the included manual for proper alignment and tightening.
3. **Adjust the Handle:** Position the ergonomic padded handle to a comfortable operating height and angle. Tighten the handle clamp securely.
4. **Fuel Mixture:** Prepare the correct gasoline-to-oil mixture as specified by ECHO. Use fresh, high-quality gasoline and ECHO 2-stroke oil for optimal performance and engine longevity. Refer to the fuel section for detailed instructions.

OPERATING INSTRUCTIONS

Fueling the Trimmer:

- Always mix gasoline with ECHO 2-stroke engine oil at the recommended ratio (typically 50:1).
- Use fresh, unleaded gasoline with an octane rating of 89 or higher.
- Fill the 14.2 fl oz see-through fuel tank carefully, avoiding spills.

Starting the Engine:

1. Place the trimmer on a flat, stable surface.
2. Set the ignition switch to the "ON" position.
3. Engage the choke (usually fully closed for cold starts).
4. Press the primer bulb several times until fuel is visible in the return line.
5. Pull the starter rope firmly and smoothly until the engine attempts to start (usually 1-3 pulls).
6. Once the engine "pops" or attempts to start, open the choke halfway.
7. Pull the starter rope again until the engine starts.
8. Allow the engine to warm up for a few seconds, then fully open the choke.
9. If the engine does not start after several pulls, refer to the troubleshooting section.

Trimming Operation:

- Hold the trimmer firmly with both hands, maintaining a balanced stance.
- Keep the trimmer head parallel to the ground for an even cut.
- Use a sweeping motion, moving from side to side, to cut grass and weeds.
- To advance the trimmer line, gently tap the Speed-Feed 400 head on the ground while the engine is running at full throttle.
- Avoid contact with hard objects, fences, or trees to prevent damage to the trimmer line and head.

MAINTENANCE

Regular maintenance ensures optimal performance and extends the life of your ECHO SRM-225 string trimmer.

After Each Use:

- Clean the exterior of the trimmer, removing grass clippings and debris.
- Inspect the trimmer line for wear and replace if necessary.
- Check for any loose fasteners and tighten them.

Monthly / Every 25 Hours of Operation:

- **Air Filter:** Clean or replace the air filter. A dirty air filter can reduce engine performance.
- **Spark Plug:** Inspect the spark plug. Clean or replace if it is fouled or worn. Ensure the gap is correct.
- **Fuel Filter:** Inspect and replace the fuel filter if it appears clogged or dirty.
- **Gear Case:** Check the grease level in the gear case (if applicable) and replenish as needed.

Storage:

- For long-term storage, drain all fuel from the tank and carburetor. Run the engine until it stops to ensure all fuel is consumed.
- Clean the entire unit thoroughly.
- Store in a dry, well-ventilated area, away from direct sunlight and extreme temperatures.

TROUBLESHOOTING

This section addresses common issues you might encounter with your ECHO SRM-225 string trimmer.

Problem	Possible Cause	Solution
Engine does not start	No fuel, incorrect choke setting, fouled spark plug, clogged fuel filter.	Check fuel level and mixture. Adjust choke. Clean/replace spark plug. Replace fuel filter.
Engine runs, but lacks power	Dirty air filter, incorrect fuel mixture, worn spark plug, carburetor issues.	Clean/replace air filter. Ensure correct fuel mixture. Replace spark plug. Consult a service technician for carburetor adjustment.
Trimmer line does not advance	Line tangled, insufficient line, incorrect tapping technique, debris in head.	Stop engine, clear tangles. Reload line. Ensure engine is at full throttle when tapping. Clean trimmer head.
Excessive vibration	Loose components, bent shaft, damaged trimmer head.	Check and tighten all fasteners. Inspect shaft and trimmer head for damage. Replace damaged parts.

If you encounter issues not listed here or if solutions do not resolve the problem, please contact ECHO customer support or an authorized service center.

TECHNICAL SPECIFICATIONS

Specification	Detail
---------------	--------

Specification	Detail
Brand	ECHO
Model Number	SRM-225
Power Source	Gasoline-powered
Engine Displacement	21.2 CC
Cutting Width	17 Inches
Item Weight	24.2 Pounds
Product Dimensions	71.5"L x 14.5"W
Speed	Up to 7000 RPM
Assembly Required	Yes
Cordless	Yes
Recommended Uses	Heavy-duty trimming tasks, reaching tight spaces, customized user comfort

WARRANTY AND SUPPORT

For specific warranty details, please refer to the warranty card included with your product or visit the official ECHO website. ECHO offers various protection plans for extended coverage.

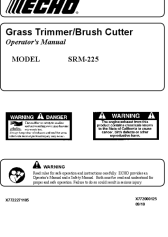

For technical assistance, parts, or service, please contact ECHO customer support:

- **ECHO Official Website:** www.echo-usa.com
- **Customer Service:** Refer to the contact information provided in your product documentation.
