# Nexus Glide Prostate Massager User Manual

Model: NEX-896566-OLD

## 1. INTRODUCTION

The Nexus Glide Prostate Massager is designed for targeted prostate stimulation and perineum massage. It features a smooth, contoured shaft and a stainless steel roller ball for a comprehensive experience. Constructed from phthalate-free polypropylene, this device is waterproof and compatible with Nexus iSTIM products.

### Key Features:

- Smooth, slim shaft for comfortable insertion.
- Stainless steel roller ball for perineum massage.
- Ergonomic shape for optimal prostate stimulation.
- Made from phthalate-free polypropylene.
- Waterproof design.
- Compatible with Nexus iSTIM devices.

## 2. SAFETY INFORMATION

---

Please read all safety instructions before using the Nexus Glide Prostate Massager. Failure to do so may result in injury or damage to the product.

- **For Adult Use Only:** This product is intended for adult use only.
- **Consult a Physician:** If you have any pre-existing medical conditions, or experience discomfort or pain during use, discontinue use immediately and consult a healthcare professional.
- **Hygiene:** Always clean the device thoroughly before and after each use to prevent bacterial growth.
- **Lubrication:** Use only water-based lubricants with this product. Oil-based lubricants can damage the material.
- **Material Compatibility:** The device is made from phthalate-free polypropylene. Avoid contact with materials that may degrade plastic, such as certain solvents or harsh chemicals.
- **Storage:** Store in a clean, dry place away from direct sunlight and extreme temperatures.

### **Legal Disclaimer:**

Statements regarding dietary supplements have not been evaluated by the FDA and are not intended to diagnose, treat, cure, or prevent any disease or health condition. This product is not a medical device.

## 3. SETUP AND FIRST USE

---

1. **Unpack:** Carefully remove the Nexus Glide from its packaging.
2. **Initial Cleaning:** Before first use, wash the entire device with warm water and a mild, antibacterial soap. Rinse thoroughly and allow it to air dry completely or pat dry with a lint-free cloth.
3. **Lubrication:** Apply a generous amount of water-based lubricant to the shaft of the massager for comfortable insertion.

## 4. OPERATING INSTRUCTIONS

The Nexus Glide is designed for both prostate and perineum stimulation. Experiment to find the most comfortable and pleasurable positions for you.

1. **Positioning:** Lie down in a comfortable position. Many users find lying on their back with knees bent

and feet flat, or on their side, to be effective.

2. **Insertion:** Gently insert the curved shaft into the rectum, ensuring adequate lubrication. The shaft is designed for easy entry.
3. **Prostate Stimulation:** Once inserted, maneuver the device to allow the curved portion to rest against the prostate. Gentle movements, such as pushing in and out or rotating, can provide stimulation.
4. **Perineum Massage:** Simultaneously, the stainless steel roller ball located at the base of the device is positioned to glide against the perineum (the area between the anus and genitals). Apply gentle pressure and move the device to activate the roller ball for external massage.
5. **Combined Sensation:** Focus on coordinating the internal prostate stimulation with the external perineum massage for a dual sensation.
6. **Experimentation:** The effectiveness of the device can vary based on individual anatomy and preference. Experiment with different angles, pressures, and movements to discover what works best for you.

## 5. MAINTENANCE AND CARE

---

Proper cleaning and storage will extend the life of your Nexus Glide Prostate Massager.

1. **Cleaning After Use:** Immediately after each use, wash the entire device with warm water and a mild, antibacterial soap. Pay special attention to the roller ball area and any crevices.
2. **Rinsing:** Rinse thoroughly under running water to remove all soap residue.
3. **Drying:** Pat dry with a clean, lint-free cloth or allow to air dry completely before storing.
4. **Disinfection:** For deeper cleaning, you may use a toy cleaner specifically designed for plastic products. Do not boil the device or use harsh chemical disinfectants, as this can damage the material.
5. **Storage:** Store the device in a clean, dry, and dust-free environment, away from direct sunlight and extreme temperatures. Keep it separate from other toys made of different materials to prevent potential reactions.

## 6. TROUBLESHOOTING

---

If you encounter any issues with your Nexus Glide Prostate Massager, please refer to the following common solutions:

- **Discomfort during insertion:** Ensure sufficient water-based lubricant is applied. Relax and try different positions. If discomfort persists, discontinue use.
- **Lack of sensation:** Experiment with different angles, pressures, and movements. Ensure the device is correctly positioned against the prostate and the roller ball is engaging the perineum.
- **Difficulty cleaning:** Use a small brush (like a soft toothbrush) to clean around the roller ball and in crevices with warm water and antibacterial soap.

If problems persist, please contact Nexus customer support.

## 7. SPECIFICATIONS

---

Brand	Nexus
Model Number	NEX-896566-OLD

Material	Phthalate-free Polypropylene
Color	Black
Dimensions (L x W x H)	7.48 x 5.12 x 2.36 inches (approximate)
Weight	2.12 ounces (approximate)
Waterproof	Yes

## 8. WARRANTY AND SUPPORT

For information regarding warranty coverage, product support, or to report any issues, please contact Nexus customer service directly. Contact details can typically be found on the official Nexus website or on your product packaging.

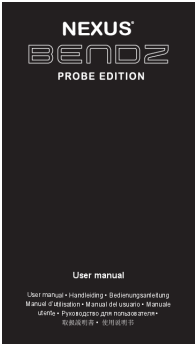

Please retain your proof of purchase for warranty claims.
