# Mega Bloks Oscorp Spider Lab Instruction Manual

Model: 91330u

## INTRODUCTION

Welcome to the world of Mega Bloks! This instruction manual provides detailed guidance for assembling and enjoying your Mega Bloks Oscorp Spider Lab. This set allows you to recreate the iconic scene where Peter Parker gains his spider powers and transforms into Spider-Man.

The set includes a buildable Oscorp Spider Lab compartment, a biting spider, a web trap, and a Spider-Man micro action figure with interchangeable heads.

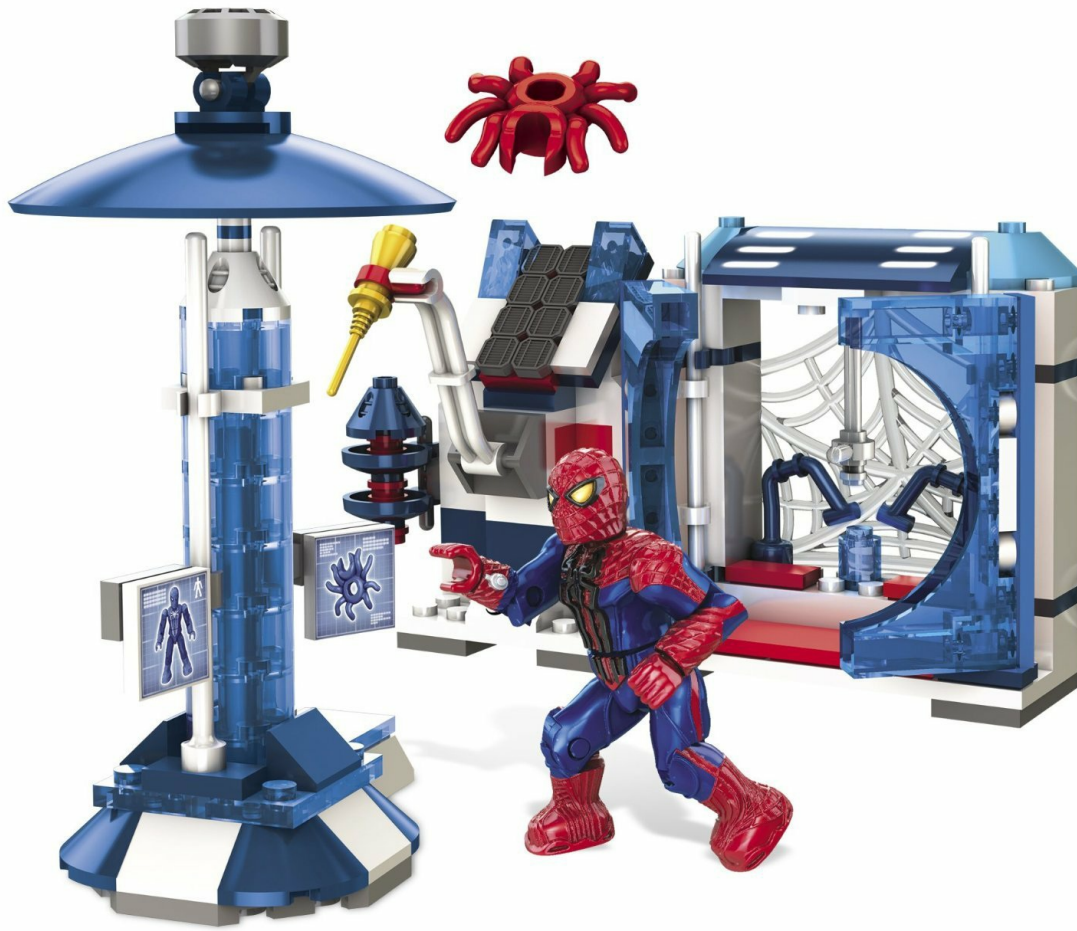

## IMPORTANT SAFETY INFORMATION

- **Choking Hazard:** This toy contains small parts and is not suitable for children under 3 years of age.
- Adult supervision is recommended during assembly and play.
- Keep packaging materials away from children to prevent suffocation.
- Inspect all pieces before assembly for any damage. Do not use damaged parts.

## PACKAGE CONTENTS

Your Mega Bloks Oscorp Spider Lab set includes **182 pieces**. Please verify that all components are present before beginning assembly.

- Buildable Oscorp Spider Lab structure
- Spider Lab compartment
- One (1) biting spider figure
- One (1) web trap
- One (1) Spider-Man micro action figure with interchangeable masked and unmasked heads
- Assorted building blocks and accessories (totaling 182 pieces)

## ASSEMBLY INSTRUCTIONS

Follow the numbered steps below to assemble your Oscorp Spider Lab. Refer to the included visual guide for detailed piece identification and placement.

1. **Unpack Components:** Carefully remove all pieces from the packaging. Sort pieces by color and size to facilitate assembly.
2. **Build the Main Lab Structure:** Begin by constructing the base of the Oscorp Spider Lab. Connect the larger blue and white base plates as indicated in the visual guide.
3. **Assemble the Spider Lab Compartment:** Attach the transparent blue wall panels and the web trap mechanism to the main structure. Ensure the web trap can open and close smoothly.
4. **Construct the Observation Tower:** Build the tall blue tower with the rotating top piece. Attach the display screens showing the Spider-Man silhouette and the spider symbol.
5. **Integrate Accessories:** Place the yellow and red scientific equipment pieces onto the designated studs on the lab structure.
6. **Prepare the Spider Figure:** The red biting spider figure is pre-assembled. It can be placed within the web trap.
7. **Assemble the Spider-Man Figure:** The micro action figure comes with interchangeable heads. To

transform Peter Parker into Spider-Man, simply remove the unmasked head and attach the masked Spider-Man head.

## OPERATING AND PLAY INSTRUCTIONS

Once assembled, the Oscorp Spider Lab is ready for imaginative play. Here are some ways to interact with your set:

- **Recreate the Transformation:** Place the Peter Parker figure near the spider lab compartment. Position the biting spider within the web trap. Simulate Peter's encounter with the spider, then swap his head for the Spider-Man mask to show his transformation.
- **Web Trap Action:** Use the mechanism to open and close the web trap, capturing or releasing the spider figure.
- **Lab Exploration:** Utilize the various lab components and the observation tower as part of your storytelling.
- **Interchangeable Heads:** Easily switch between Peter Parker's unmasked head and Spider-Man's masked head to depict his dual identity.

## MAINTENANCE

To ensure the longevity of your Mega Bloks Oscorp Spider Lab, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down the blocks and figures with a soft, damp cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the set in a clean, dry place away from direct sunlight and extreme temperatures to prevent warping or discoloration.
- **Handling:** Handle the pieces gently, especially the smaller components and the interchangeable heads, to avoid breakage.

## TROUBLESHOOTING

If you encounter any issues with your Mega Bloks Oscorp Spider Lab, please refer to the following common solutions:

Problem	Solution
Missing pieces upon opening.	Carefully check all packaging materials. If pieces are still missing, contact Mega Brands customer support (see Support section).
Blocks do not connect securely.	Ensure blocks are aligned correctly and apply firm, even pressure. Check for any debris in the studs or holes.
Figure heads are difficult to swap.	Gently twist and pull to remove. Align the peg with the hole and push firmly to attach. Avoid excessive force.

## SPECIFICATIONS
