### Lemax 42893

# Lemax Village Collection Toy Drive #42893 Instruction Manual

## 1. INTRODUCTION AND OVERVIEW

This manual provides essential information for the proper setup, care, and display of your Lemax Village Collection Toy Drive #42893 figurine set. This collectible item is designed to enhance your holiday village display.

Image 1.1: The Lemax Village Collection Toy Drive #42893 set, depicting a toy collection scene with three figures and a donation box.

The Lemax Village Collection Toy Drive #42893 is a decorative figurine set, ideal for creating festive scenes within a holiday village. It features multiple hand-painted figures and a toy collection box, designed to add detail and narrative to your display.

## 2. SETUP

1. **Unpacking:** Carefully remove all components from the packaging. Inspect for any damage. Retain packaging for future storage if desired.
2. **Placement:** Choose a stable, flat surface for display. Ensure the area is free from direct sunlight, excessive heat, or moisture, which can affect the item's finish.
3. **Arrangement:** Position the figures and the toy collection box as desired within your village scene. Ensure they are stable and not prone to tipping.

## 3. OPERATING INSTRUCTIONS

The Lemax Village Collection Toy Drive #42893 is a static decorative item and does not require power or active operation. Once placed, it serves as a visual component of your display.

- No batteries are required for this item.
- No moving parts or electronic functions are present.

## 4. MAINTENANCE

Proper maintenance will help preserve the appearance of your collectible item.

- **Cleaning:** Dust the figurine gently with a soft, dry cloth or a soft brush. Avoid abrasive cleaners or harsh chemicals, as these can damage the painted finish.
- **Storage:** When not on display, store the item in its original packaging or a protective container in a cool, dry place away from extreme temperatures and humidity.
- **Handling:** Always handle the figurine by its base to prevent damage to delicate parts.

## 5. TROUBLESHOOTING

As a static decorative item, troubleshooting is generally limited to physical integrity.

- **Item is unstable:** Ensure the figurine is placed on a completely flat and level surface. If necessary, use a small amount of museum putty or a similar non-damaging adhesive to secure it to the display surface.
- **Minor damage (e.g., small chip):** For minor cosmetic issues, touch-up paint designed for ceramic or resin figurines may be used. Consult a specialist if unsure.
- **Fading colors:** This can occur from prolonged exposure to direct sunlight. Always display the item away from direct sunlight to prevent fading.
