## Zadro LEDT01

# Zadro LED Compact Travel Mirror User Manual

Model: LEDT01

Brand: Zadro

## 1. INTRODUCTION

Thank you for choosing the Zadro 4.5" Round LED Compact Travel Mirror. This manual provides essential information for the proper setup, operation, and maintenance of your new mirror. Designed for convenience and clarity, this mirror features dual magnification and bright LED lighting, making it ideal for detailed grooming and makeup application at home or on the go.

Figure 1: Zadro LED Compact Travel Mirror in its open, standing configuration.

## 2. PRODUCT FEATURES

- **Dual Magnification:** Features one 10X magnification mirror for detailed tasks like tweezing or makeup application, and one 1X magnification mirror for general viewing and hairstyling.
- **LED Lighting:** Integrated energy-saving LED lights illuminate both mirrors, providing clear, bright reflection in any environment.
- **Compact & Portable Design:** The mirror folds flat for easy storage and travel, protecting the mirror surfaces.
- **Adjustable Stand:** Opens into an upright standing position for hands-free use, with adjustable angles for optimal viewing.
- **Battery Operated:** Cordless design for convenience, requiring 3 AAA batteries (not included).

### 3. SETUP & BATTERY INSTALLATION

The Zadro LED Compact Travel Mirror requires 3 AAA batteries for operation. Please follow these steps for installation:

1. Locate the battery compartment on the back of the mirror's base.
2. Gently twist the battery cover counter-clockwise to open it.
3. Insert 3 AAA batteries, ensuring correct polarity (+/-) as indicated inside the compartment.
4. Replace the battery cover and twist clockwise to secure it.

To open the mirror for use:

1. On the back of your Dual LED Lighted Travel Mirror, grab the notch and pull the top portion with the hinge upward and away from the bottom.

2. Lay the mirror base on a flat surface.
3. Holding the base with one hand, extend the top part of the mirror upward along its neck and flip open the mirror cover.
4. Adjust the mirror to your desired position.

## 4. OPERATING INSTRUCTIONS

Once batteries are installed and the mirror is open, you can begin using it:

- **Power On/Off:** Locate the power switch on the side of the mirror's base. Slide the switch to the "ON" position to activate the LED lights. Slide it to "OFF" when not in use to conserve battery life.
- **Magnification Selection:** The mirror features two distinct surfaces. The upper mirror provides 10X magnification for detailed work, while the lower mirror offers 1X magnification for a standard, true-to-life reflection.
- **Adjusting Angle:** The mirror's design allows for various viewing angles. Gently adjust the top mirror and the base to find the most comfortable and effective position for your needs.

**Self-Standing for  
Hands-Free Use**

or

**Folds Down for  
Comfortable,  
In-Hand Use**

Figure 3: The mirror can be used self-standing or comfortably in-hand.

## 5. MAINTENANCE & CARE

- **Cleaning:** To clean the mirror surfaces, gently wipe with a soft, lint-free cloth. For smudges, a small amount of glass cleaner can be applied to the cloth (not directly to the mirror). Avoid abrasive cleaners.
- **Storage:** When not in use, fold the mirror flat to protect the glass surfaces and conserve battery life. Store in a cool, dry place away from direct sunlight.
- **Battery Replacement:** If the LED lights dim or stop working, replace all 3 AAA batteries. Do not mix old and new batteries, or different types of batteries.

## 6. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED lights do not turn on.	Batteries are dead or incorrectly installed.	Ensure 3 new AAA batteries are installed with correct polarity.
Lights are dim.	Low battery power.	Replace all 3 AAA batteries with new ones.
Mirror does not stand upright stably.	Base not fully extended or placed on an uneven surface.	Ensure the base is fully extended and placed on a flat, stable surface.

## 7. SPECIFICATIONS

- **Model Number:** LEDT01
- **Brand:** Zadro
