SETUP

To enjoy the full experience of your combo pack, follow these setup guidelines:

1. **For Blu-ray 3D Playback:** Ensure you have a compatible Blu-ray 3D player, a 3D-enabled television or projector, and active 3D glasses. Connect your player to your display using a high-speed HDMI cable.
2. **For Standard Blu-ray Playback:** You will need a standard Blu-ray player and an HD television. Connect your player to your display using an HDMI cable.

3. **For DVD Playback:** A standard DVD player and television are required. Connect your player using appropriate video and audio cables (HDMI, component, composite).
4. **Disc Insertion:** Gently insert the desired disc (Blu-ray 3D, Blu-ray, or DVD) into your player's disc tray or slot, ensuring the label side is facing up.

OPERATING INSTRUCTIONS

Once the disc is loaded, the player should automatically begin playback or display the main menu. Use your player's remote control to navigate.

Playback Options:

- **Play Movie:** Select "Play" or "Start Movie" from the main menu to begin the film.
- **Scene Selection:** Access specific chapters or scenes of the movie.
- **Audio Options:** Choose preferred audio tracks (e.g., English, French, Spanish) and audio formats.
- **Subtitles:** Enable or disable subtitles and select desired languages (English, French, Spanish).

Special Features:

The Blu-ray discs include various special features to enhance your viewing experience. These can typically be accessed from the main menu under a "Special Features" or "Bonus Content" section.

- **Maximum Movie Mode:** An interactive viewing experience with picture-in-picture commentary and behind-the-scenes content.
- **The Seven Harrys:** Explore the transformation of the multiple Harrys in the Privet Drive scene.
- **Dan, Rupert and Emma's Running Competition:** A look at the friendly competition among the main actors.
- **Harry Potter and the Deathly Hallows - Part 1: Behind the Soundtrack:** A featurette on the film's musical score.
- Additional scenes and interviews may also be available.

Digital Copy:

Refer to the insert within your combo pack for instructions on how to redeem your Digital Copy. Please note that digital copy redemption codes may have expiration dates.

MAINTENANCE

Proper care of your discs will ensure their longevity and optimal performance.

- **Handling:** Always hold discs by their edges or by placing a finger through the center hole. Avoid touching the playback surface.

- **Cleaning:** If a disc becomes dirty, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners or solvents.
- **Storage:** Store discs in their original cases, away from direct sunlight, extreme temperatures, and high humidity.
- **Scratches:** While Blu-ray discs are more scratch-resistant than DVDs, deep scratches can still affect playback. Handle with care.

TROUBLESHOOTING

If you encounter issues during playback, consider the following common solutions:

Problem	Possible Cause / Solution
Disc will not play or load.	<ul style="list-style-type: none"> ◦ Ensure the disc is clean and free of smudges or scratches. ◦ Verify you are using the correct player for the disc type (e.g., Blu-ray disc in a Blu-ray player, not a DVD player). ◦ Try restarting your player. ◦ Check if your player's firmware is up to date.
3D effect is not visible or appears distorted.	<ul style="list-style-type: none"> ◦ Confirm your TV and player are 3D compatible and properly configured for 3D output. ◦ Ensure your 3D glasses are charged (if active) and functioning correctly. ◦ Verify you are playing the Blu-ray 3D disc, not the standard Blu-ray disc. ◦ Check your TV's 3D settings.
No audio or poor audio quality.	<ul style="list-style-type: none"> ◦ Check all audio cable connections between your player, receiver, and speakers. ◦ Ensure the correct audio track is selected in the disc's menu. ◦ Verify your audio receiver/soundbar is set to the correct input.
