# Carrera CA33/S Pilot Sunglasses Instruction Manual

## 1. PRODUCT OVERVIEW

Thank you for choosing Carrera CA33/S Pilot Sunglasses. These sunglasses are designed to provide optimal eye protection and style. Featuring a durable frame and high-quality lenses, they are suitable for various outdoor activities.

Key features include:

- **CR39 plastic polymer lens:** Offers excellent optical clarity and lightweight comfort.
- **Non-polarized:** Provides clear vision without altering color perception.
- **100% UV protection coating:** Shields your eyes from harmful UVA and UVB rays.
- **Branded case included:** For safe storage and transport.
- **Not Rx-able:** These sunglasses are not designed for prescription lenses.

## 2. SETUP

---

### 2.1 Unboxing

Upon receiving your Carrera CA33/S Pilot Sunglasses, carefully open the packaging. Inside, you will find the sunglasses securely placed within their branded protective case. Remove the sunglasses from the case.

### 2.2 Initial Fit

Gently unfold the temples of the sunglasses. Place the sunglasses on your face, ensuring the nose pads rest comfortably on your nose bridge and the temples extend over your ears without causing pressure. The fit should be snug but not tight.

## 3. OPERATING INSTRUCTIONS

---

### 3.1 Wearing the Sunglasses

To wear, hold the sunglasses by the frame and gently place them over your eyes, allowing the temples to rest behind your ears. Adjust the position on your nose bridge for optimal comfort and vision. The 100% UV protection coating ensures your eyes are shielded from harmful ultraviolet rays during outdoor exposure.

### 3.2 Removing the Sunglasses

To remove, grasp both temples firmly and lift the sunglasses off your face. Avoid pulling them off with one hand or by the lenses, as this can cause damage or misalignment.

## 4. MAINTENANCE

---

Proper care will extend the life and maintain the clarity of your Carrera sunglasses.

- **Cleaning:** Clean lenses and frames with a soft, dry cloth. For stubborn smudges, use a lens cleaning solution specifically designed for eyewear and a microfiber cloth. Avoid using paper towels, clothing, or harsh household cleaners, as these can scratch the lenses or damage coatings.

- **Storage:** Always store your sunglasses in the provided branded protective case when not in use. This prevents scratches and protects them from dust and accidental damage.
- **Temperature:** Avoid exposing sunglasses to extreme temperatures, such as leaving them on a car dashboard in direct sunlight, as this can warp the frame or damage the lens coatings.

## 5. TROUBLESHOOTING

---

### 5.1 Loose Fit

If your sunglasses feel loose, the temples may need slight adjustment. It is recommended to visit a professional optician for proper adjustment to avoid damaging the frame.

### 5.2 Scratched Lenses

Minor scratches can sometimes be minimized with specialized lens repair kits, but deep scratches may require lens replacement. Always store in the protective case to prevent scratches.

### 5.3 Frame Damage

For any significant frame damage, such as cracks or breaks, contact Carrera customer support or an authorized dealer for repair options. Attempting self-repair may void your warranty.

## 6. SPECIFICATIONS

Specification	Detail
Brand	Carrera
Model Number	CA33/S
Lens Material	CR39 plastic polymer
UV Protection	100% UV protection coating
Polarization	Non-polarized
Department	Womens
