## Hot Wheels X6999

# Hot Wheels Toy Cars or Trucks 9-Pack Instruction Manual

Brand: **Hot Wheels** | Model: **X6999**

### PRODUCT OVERVIEW

The Hot Wheels 9-car pack offers an instant collection of highly detailed, 1:64 scale die-cast vehicles. Each pack includes a variety of cars with authentic styling and eye-catching decos, featuring one exclusive vehicle that collectors will appreciate. These vehicles are designed for imaginative play and make an excellent addition to any collection.

## OPERATING INSTRUCTIONS

Hot Wheels vehicles are designed for push-around play and can be used on Hot Wheels tracks (sold separately) or any flat, smooth surface. Their durable construction allows for high-speed action and imaginative scenarios.

### Key Features:

- It's an instant collection with a Hot Wheels 9-car pack of vehicles.
- Each vehicle in the pack is designed in 1:64 scale with authentic styling and awesome decos.
- The set of 9 cars stands out with 1 exclusive vehicle that collectors will appreciate.
- Imaginations are unleashed with 9 cars together that are great for push-around play and cool displays.
- Hot Wheels vehicles make a great toy for kids and car enthusiasts of all ages, who will want to collect them all (each sold separately).

## MAINTENANCE

Hot Wheels die-cast vehicles are designed for durability and require minimal maintenance to ensure their longevity.

- **Cleaning:** Wipe cars with a dry, soft cloth to remove dust and dirt. Avoid using harsh chemicals or abrasive materials, which can damage the paint finish.

- **Storage:** Store cars in a cool, dry place away from direct sunlight and extreme temperatures. Prolonged exposure to heat can affect plastic components and paint.
- **Water Exposure:** Do not submerge cars in water. While durable, prolonged water exposure can lead to rust on metal parts and damage to decals.

## TROUBLESHOOTING

Most issues with Hot Wheels cars are related to normal wear and tear from active play. Here are some common observations and tips:

- **Wheels Not Spinning Freely:** Check for any small debris, lint, or hair caught around the axles. Gently remove any obstructions using tweezers or a small brush.
- **Paint Chipping or Scratches:** This is a common occurrence with die-cast toys during play. It is considered normal wear and tear and does not affect the car's functionality. No repair is typically needed.
- **Damaged Components:** In cases of significant physical damage (e.g., broken axles, detached parts), repair may not be feasible due to the small scale and construction of the die-cast vehicles. Consider replacing the vehicle if play is severely impacted.

## PRODUCT SPECIFICATIONS

Feature	Detail
Product Dimensions	1.5 x 11 x 7.5 inches
Item Weight	1 pounds
ASIN	B006EFMSSM
Item model number	X6999
Manufacturer recommended age	24 months and up
Manufacturer	Mattel
Release date	February 5, 2019
Department	unisex-adult
