Tupperware Tabletop Citrus Juicer User Manual

Model: B006F3U6NC

INTRODUCTION

Thank you for choosing the Tupperware Tabletop Citrus Juicer. This manual provides essential information for the safe and effective use, maintenance, and care of your new juicer. Please read these instructions thoroughly before first use and retain them for future reference.

PRODUCT OVERVIEW

The Tupperware Tabletop Citrus Juicer is designed for manual extraction of juice from citrus fruits such as limes and lemons. Its simple two-piece design allows for easy operation and cleaning.

Image 1: The Tupperware Tabletop Citrus Juicer in its closed position, showcasing its compact, lime-green design.

SETUP

- Unpack:** Carefully remove the juicer from its packaging. Inspect for any damage.
- Initial Cleaning:** Before first use, wash both halves of the juicer thoroughly with warm, soapy water. Rinse completely and dry.
- Assembly:** The juicer consists of two interlocking halves. Ensure they fit together securely when not in use, and separate them for juicing.

Image 2: The Tupperware Tabletop Citrus Juicer opened, revealing the two distinct halves designed for pressing citrus fruit.

OPERATING INSTRUCTIONS

1. **Prepare Fruit:** Cut your citrus fruit (lime, lemon) in half. For best results, ensure the fruit is at room temperature.
2. **Position Fruit:** Place one half of the citrus fruit cut-side down into one of the juicer halves. The raised ridges inside the juicer are designed to extract maximum juice.
3. **Juice Extraction:** Bring the two halves of the juicer together and press firmly. The juice will collect in the bottom half and can be poured out through the spout.
4. **Repeat:** Repeat the process for additional fruit halves as needed.

Image 3: Both halves of the Tupperware Tabletop Citrus Juicer displayed separately, highlighting their ergonomic design for manual juicing.

MAINTENANCE AND CARE

- **Cleaning:** After each use, separate the two halves of the juicer. Wash immediately with warm, soapy water to prevent pulp and juice residue from drying. Rinse thoroughly.
- **Dishwasher Safety:** This specific model is indicated as **not dishwasher safe**. Hand washing is recommended to preserve the product's integrity and finish.
- **Drying:** Allow both halves to air dry completely or dry with a soft cloth before storing.
- **Storage:** Store the clean, dry juicer in a cupboard or drawer. The two halves can be nested together for compact storage.

TROUBLESHOOTING

- **Low Juice Yield:**
 - Ensure fruit is at room temperature. Cold fruit yields less juice.
 - Press firmly and twist the fruit slightly while pressing to extract more juice.
 - Use fresh, ripe fruit.
- **Seeds in Juice:**
 - The juicer is designed to catch most seeds. If small seeds pass through, a fine mesh strainer can be used to filter the juice.

SPECIFICATIONS

Feature	Detail
Brand	Tupperware
Model	B006F3U6NC
Color	Green
Special Feature	Portable
Finish Type	Painted
Product Care Instructions	Hand wash recommended
Capacity	0.5 Liters (approximate collection volume)
Power Source	Manual
Package Dimensions	3.9 x 3.8 x 1.8 inches
Item Weight	4 ounces
Date First Available	November 27, 2011
