Home Basics Metal Clothes Rack (Model CD10346) Instruction Manual

Your guide to setting up, using, and maintaining your 3-Tier Portable Clothes Drying Rack.

PRODUCT OVERVIEW

The Home Basics Metal Clothes Rack, Model CD10346, is a versatile 3-tier portable drying solution designed for air-drying various garments. Its foldable design allows for convenient storage when not in use.

SETUP INSTRUCTIONS

This clothes rack comes pre-assembled and requires no tools for setup. Simply unfold it for immediate use.

1. **Unfolding the Rack:** Carefully pull the two main sides of the rack apart. The support arms will automatically extend and lock into place, forming the stable A-frame structure.
2. **Extending Tiers:** Ensure all three tiers are fully extended and the horizontal rods are securely positioned.
3. **Placement:** Place the rack on a flat, stable surface in a well-ventilated area.

OPERATING INSTRUCTIONS

The Home Basics Metal Clothes Rack provides 18 rods across three tiers for efficient air drying.

- **Hanging Garments:** Distribute clothes evenly across the rods to ensure balanced drying and prevent tipping.
- **Suitable Items:** Ideal for delicates, swimsuits, towels, shirts, pants, and other items not suitable for machine drying.
- **Hanger Use:** The top corners of the rack are designed to accommodate clothes hangers for items that require hanging to dry.

MAINTENANCE

- **Cleaning:** Wipe the metal frame and rods with a damp cloth as needed. Avoid abrasive cleaners that may damage the finish.
- **Storage:** When not in use, the rack can be easily folded for compact storage. Gently push the main sides together until the support arms disengage and the rack collapses. Store in a dry place.

TROUBLESHOOTING

- **Rack Instability:** If the rack appears wobbly, ensure all support arms are fully extended and locked into their designated positions. Verify that the rack is placed on a level surface.
- **Bent Rods:** In case a rod becomes bent, gently attempt to straighten it by hand. Avoid applying excessive force to prevent further damage.
- **Folding Difficulty:** If the rack is difficult to fold, check for any obstructions or ensure the support arms are properly disengaged.

SPECIFICATIONS

Model Number	CD10346
Brand	Home Basics
Material	Carbon Steel
Product Dimensions (Unfolded)	20"D x 24"W x 59"H
Item Weight	5.9 Pounds
Special Features	Portable, Space Saving, Foldable
UPC	857198103460
