

## BlueAnt S4

# BlueAnt S4 True Handsfree Speakerphone User Manual

Model: S4

---

## INTRODUCTION

The BlueAnt S4 True Handsfree Speakerphone is designed to provide a safe and convenient way to make and receive calls while driving. Featuring Bluetooth 2.1 technology, it offers clear audio and voice command capabilities, allowing for a truly hands-free experience. This manual provides detailed instructions for setting up, operating, maintaining, and troubleshooting your S4 speakerphone.

## PACKAGE CONTENTS

- 1 x BlueAnt S4 Bluetooth Speakerphone
- 1 x Visor Clip
- 1 x USB Charging Cable (Note: Wall charger not included)

Image: BlueAnt S4 speakerphone unit shown alongside its magnetic visor clip.

## SETUP

---

### 1. Charging the Device

Before first use, fully charge your BlueAnt S4. Connect the supplied USB charging cable to the speakerphone's charging port and the other end to a USB power source (e.g., car charger, computer USB port, or a compatible USB wall adapter). The charging indicator light will show the charging status.

### 2. Mounting in Vehicle

Attach the visor clip to your vehicle's sun visor. The BlueAnt S4 speakerphone unit has strong magnets on its back that will securely attach to the metal plate on the visor clip. This allows for easy removal for charging or storage.

### 3. Pairing with Your Phone

1. Ensure the BlueAnt S4 is turned off.
2. Press and hold the Multi-Function Button (MFB) on the S4 until the indicator light flashes blue and red, indicating pairing mode.
3. On your mobile phone, enable Bluetooth and search for new devices.
4. Select "BlueAnt S4" from the list of found devices.
5. If prompted for a passcode, enter "0000" (four zeros).
6. Once paired, the S4 will announce "Phone connected" and the indicator light will flash blue

periodically.

## OPERATING INSTRUCTIONS

---

### Power On/Off

- **To Power On:** Press and hold the MFB until you hear "Power On".
- **To Power Off:** Press and hold the MFB until you hear "Power Off".

### Making Calls

- **Voice Dialing:** Say "BlueAnt Speak To Me" and wait for the prompt. Then, say the name of the contact you wish to call (e.g., "Call John Doe"). Ensure your phone supports voice dialing.
- **Redial Last Number:** Double-press the MFB.

### Receiving Calls

- **Answer Call:** When a call comes in, say "Answer" or press the MFB once.
- **Reject Call:** Say "Ignore" or press and hold the MFB for 2 seconds.

### Volume Control

Adjust the volume by sliding your finger along the touch-sensitive volume strip on the side of the S4. Slide up to increase volume, slide down to decrease.

### Transferring Calls

During a call, press and hold the MFB for 2 seconds to transfer the call between the S4 and your phone.

## MAINTENANCE

---

- **Cleaning:** Wipe the device with a soft, dry cloth. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store the S4 in a cool, dry place away from extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.

## TROUBLESHOOTING

---

Problem	Solution
---------	----------

Problem	Solution
Device does not turn on.	Ensure the battery is charged. Connect to a power source and try again.
Cannot pair with phone.	Ensure the S4 is in pairing mode (flashing blue/red). Make sure Bluetooth is enabled on your phone. Delete "BlueAnt S4" from your phone's paired devices list and try pairing again. Ensure the S4 is within 10 meters of your phone.
Voice commands not recognized.	Speak clearly and directly into the speakerphone. Ensure there is minimal background noise. Verify your phone's voice dialing feature is active and configured correctly.
Poor audio quality.	Adjust the volume on the S4 and your phone. Move closer to the speakerphone. Check for obstructions between the S4 and your phone.

- **Date First Available:** July 27, 2011

## WARRANTY AND SUPPORT

---

As this product is often sold in "Bulk Packaging," specific warranty details may vary. Please refer to the original point of purchase or the manufacturer's official website for the most accurate and up-to-date warranty information. For technical support, visit the BlueAnt website or contact their customer service department.

*Note: Information regarding support for older products, such as the S4, may be limited. Some features, like specific voice command services, might depend on third-party providers or phone operating system compatibility.*
