## OPERATING INSTRUCTIONS

The Playmobil Referee Trio is designed for imaginative play, allowing children to simulate football matches and enforce rules.

- **Role-Playing:** Use the figures to act out different referee roles during a Playmobil football game.
- **Using Flags:** The assistant referees (linesmen) can use their yellow flags to signal offsides, fouls, or out-of-bounds plays.
- **Using Cards:** The main referee can use the red card to signal a player's expulsion from the game for serious fouls.
- **Interchangeability:** Accessories can be swapped between figures to suit different play scenarios.

## MAINTENANCE

Proper care will ensure the longevity of your Playmobil Referee Trio set.

- **Cleaning:** To clean the figures and accessories, wipe them gently with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic and paint.
- **Drying:** Ensure all parts are completely dry before storing to prevent moisture damage.
- **Storage:** Store the set in a clean, dry place away from direct sunlight and extreme temperatures. Keep small accessories in a designated container to prevent loss.

## TROUBLESHOOTING

Most issues with Playmobil sets are minor and can be resolved easily.

- **Lost Parts:** In case of lost small parts, check the play area thoroughly. Playmobil offers replacement parts for many sets; visit the official Playmobil website for more information.
- **Figures Not Standing:** Ensure the figures are placed on a flat, stable surface. Check if any debris is lodged in their feet.
