## **3. OPERATING AND USE**

---

The HomePlus Base Cabinet is designed for versatile storage. Its primary function is to provide concealed storage for various items, making it ideal for organizing kitchen essentials, office supplies, or general household clutter.

### **Adjustable Shelf:**

The cabinet includes one adjustable shelf. To reposition the shelf, carefully remove it from its current supports and place it on the desired shelf pins. Ensure the shelf is level and securely seated on all four pins before placing items on it. This allows you to customize the interior space to accommodate items of different heights.

### **Door Operation:**

The cabinet features two framed panel doors. Open and close the doors gently using the handles to prevent wear and tear on the hinges. Ensure doors are fully closed to keep contents concealed and protected.

#### 4. MAINTENANCE AND CARE

---

To maintain the appearance and longevity of your Sauder HomePlus Base Cabinet, follow these simple care instructions:

- **Cleaning:** Wipe the surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading of the finish.
- **Weight Distribution:** Distribute weight evenly on shelves to prevent sagging or damage.

## 5. TROUBLESHOOTING

Should you encounter any issues with your Sauder HomePlus Base Cabinet, please refer to the following general troubleshooting tips:

- **Loose Connections:** If the cabinet feels wobbly, check all cam locks and screws to ensure they are tightened securely.
- **Misaligned Doors:** If doors do not close properly or appear uneven, adjust the hinges as per the detailed assembly instructions. Minor adjustments can often correct alignment issues.
- **Damaged Parts:** If any part is damaged or missing, refer to the "Warranty and Support" section for information on obtaining replacement parts.
