3. ASSEMBLY INSTRUCTIONS

Your Sauder HomePlus Storage Pantry Cabinet is designed for straightforward assembly. Please follow the clear, illustrated instructions provided in the packaging. All parts are labeled to facilitate the process. For a digital copy of the user manual, please refer to the official Sauder website or the provided PDF link: [User Manual \(PDF\)](#).

3.1. Before You Begin

- Unpack all components and verify against the parts list in the manual.

- Ensure you have the necessary tools (typically a Philips head screwdriver and a hammer).
- Assemble on a soft, clean surface to prevent scratches.
- It is recommended to have two people for assembly, especially for lifting and positioning larger components.

3.2. Step-by-Step Assembly

Refer to the detailed diagrams and numbered steps in your physical instruction manual. Pay close attention to the orientation of each piece. The wall anchor kit should be installed as directed to prevent tip-over accidents, especially in households with children or pets.

4. USAGE GUIDELINES

Once assembled, the HomePlus Storage Pantry Cabinet offers flexible storage solutions for various items. Utilize the four adjustable shelves to customize the interior space according to your needs. For example, taller items like cereal boxes or cleaning supplies can be accommodated by adjusting shelf heights, while smaller

items can be organized on closely spaced shelves.

4.1. Optimizing Storage

- **Kitchen/Pantry:** Store canned goods, dry foods, small appliances, and kitchen linens.
- **Laundry/Utility:** Organize detergents, cleaning supplies, and folded laundry.
- **Bathroom:** Keep towels, toiletries, and personal care items neatly stored.
- **General Storage:** Ideal for books, craft supplies, or office documents.

5. CARE AND MAINTENANCE

To maintain the appearance and longevity of your Sauder HomePlus Storage Pantry Cabinet, follow these simple care instructions:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the finish.
- **Spills:** Promptly wipe up any spills to prevent moisture damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat:** Do not place hot items directly on the cabinet surface without protection.
- **Leveling:** Periodically check the adjustable levelers to ensure the cabinet remains stable and level.

6. TROUBLESHOOTING

If you encounter any issues with your Sauder HomePlus Storage Pantry Cabinet, consider the following common solutions:

6.1. Door Alignment Issues

- If doors appear misaligned or do not close properly, adjust the self-closing hinges. Most hinges have screws that allow for minor adjustments in horizontal, vertical, and depth alignment. Refer to your assembly manual for specific hinge adjustment instructions.

6.2. Stability Concerns

- Ensure the adjustable base levelers are properly set to provide maximum contact with the floor and distribute weight evenly.
- Verify that the wall anchor kit is securely installed according to the assembly instructions. This is crucial for preventing tip-over.

6.3. Missing or Damaged Parts

- If you find any missing or damaged parts during assembly, do not proceed. Contact Sauder customer support immediately for replacements.
