

Tupperware MODULAR MATES Small SPICE SET

Tupperware MODULAR MATES Small Spice Set (4-Piece) Instruction Manual

Model: 5.50722E+11 | UPC: 550722041930

INTRODUCTION

This instruction manual provides essential information for the proper use and care of your Tupperware MODULAR MATES Small Spice Set. Designed for optimal freshness and organization, this set of four containers with black seals is ideal for storing various spices and small dry goods. Please read this manual thoroughly to ensure long-lasting performance and satisfaction with your product.

PRODUCT OVERVIEW

The Tupperware MODULAR MATES Small Spice Set includes four clear plastic containers, each with a capacity of 4 ounces (approximately 113 milliliters). Each container is equipped with a black seal featuring dual openings: a shaker side for dispensing finely ground spices and a larger spoon opening for measuring or pouring. The design ensures an airtight and liquid-tight seal to maintain the freshness of contents and protect against moisture and pests.

Image: The Tupperware MODULAR MATES Small Spice Set, showing four clear containers with black seals. Two containers have their seals open, revealing the shaker and spoon dispensing options, while the other two are closed.

Image: A visual representation of the four small spice shakers, highlighting their compact size and the included seals. The accompanying text confirms they are 1/2-cup (125 mL) capacity.

SETUP

1. **Unpacking:** Carefully remove all four spice containers and their seals from the packaging.
2. **Initial Cleaning:** Before first use, wash all components (containers and seals) with warm, soapy water. Rinse thoroughly and allow them to air dry completely or dry with a clean cloth.
3. **Attaching Seals:** Place the black seal onto the rim of each container. Press down firmly around the entire edge of the seal to ensure a secure, airtight fit. You may hear a slight click as the seal engages.

OPERATING INSTRUCTIONS

1. **Filling the Containers:** Remove the seal from the container. Fill the container with your desired spice or dry ingredient. Do not overfill; leave a small space at the top to allow the seal to close properly.
2. **Securing the Seal:** Re-attach the black seal to the container, pressing firmly around the edges until it is fully seated. Ensure the flip-top openings are closed.
3. **Using the Dispensing Openings:**
 - For shaking: Open the smaller, perforated flip-top lid to dispense finely ground spices.
 - For spooning/pouring: Open the larger flip-top lid to access a wider opening for spoons or for pouring larger quantities.
4. **Maintaining Freshness:** Always ensure both flip-top lids are securely closed when not in use to maintain the airtight and liquid-tight properties of the container.

CARE AND MAINTENANCE

- **Cleaning:** The Tupperware MODULAR MATES Small Spice Set is dishwasher safe. For best results, place containers and seals on the top rack of your dishwasher. Alternatively, hand wash with warm, soapy water and rinse thoroughly.
- **Drying:** Ensure all components are completely dry before reassembling and storing to prevent moisture buildup.

- **Material Safety:** This product is BPA-Free, ensuring safe food storage.
- **Stain Removal:** For stubborn stains, create a paste of baking soda and water, apply to the stain, let it sit for a few hours, then wash as usual.

TROUBLESHOOTING

- **Difficulty Attaching Seals:** If seals are difficult to attach, try soaking them in warm water for a few minutes to make them more pliable. Ensure the container rim and seal are dry before attempting to seal.
- **Seals Not Feeling Airtight:** Double-check that the seal is pressed down evenly around the entire perimeter of the container. Ensure no food particles are caught between the seal and the container rim.
- **Difficulty Opening Flip-Top Lids:** New seals can be tight. Gently pry open the flip-top lids using a fingernail or a small, blunt utensil until they loosen with use.

SPECIFICATIONS

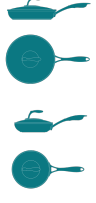

Feature	Detail
Brand	Tupperware
Model Name	MODULAR MATES Small SPICE SET
Model Number	5.50722E+11
UPC	550722041930
