Lemax Coventry Cove Collection Figurine - To Protect and Serve User Manual

Model: K | Brand: Lemax

1. Introduction

This manual provides essential information for the proper handling, display, and care of your Lemax Coventry Cove Collection Figurine, "To Protect and Serve." This collectible piece is designed to enhance your miniature village or display with its detailed craftsmanship.

The figurine depicts a police officer standing with two children, symbolizing community protection and care. It is crafted from polyresin and features hand-painted details.

2. Product Overview

Image 1: The Lemax 'To Protect and Serve' figurine. It features a police officer in a blue uniform standing between two children. The child

on the left is a girl with a pink shirt, purple skirt, and a light blue backpack. The child on the right is a boy in a green shirt, light blue pants, a red cap, holding a basketball. All figures are standing on a grey base.

This figurine is part of the Lemax Coventry Cove Collection, known for its intricate details and ability to bring scenes to life.

3. Setup and Placement

1. **Unpacking:** Carefully remove the figurine from its packaging. Retain the original packaging for future storage, if desired.
2. **Placement:** Choose a stable, flat surface for display. Ensure the area is free from direct sunlight, extreme temperatures, and high humidity, which can affect the figurine's finish over time.
3. **Stability:** Verify that the figurine stands firmly on its base to prevent accidental tipping.

4. Display and Handling

This figurine is designed for static display. Avoid excessive handling to preserve its painted details and structural integrity.

- Handle the figurine by its base whenever possible.
- Do not drop or subject the figurine to impact, as it is made of polyresin and can break.
- Keep out of reach of small children and pets to prevent damage or choking hazards.

5. Maintenance and Care

To keep your figurine looking its best, follow these simple care instructions:

- **Cleaning:** Dust the figurine regularly with a soft, dry cloth or a soft-bristled brush.
- **Stains:** For stubborn dirt, lightly dampen a soft cloth with water (do not use harsh chemicals or abrasive cleaners) and gently wipe the affected area. Dry immediately with a clean, dry cloth.
- **Storage:** If storing the figurine, use its original packaging or wrap it in soft, protective material to prevent scratches and breakage. Store in a cool, dry place.

6. Troubleshooting

While figurines typically require little troubleshooting, here are common concerns and solutions:

- **Figurine is unstable:** Ensure it is placed on a completely flat and level surface. If the base is slightly uneven, a small, thin piece of felt or similar material can be placed under the lowest point for stabilization.
- **Paint appears dull:** This can be due to dust accumulation. Follow the cleaning instructions in Section 5. Avoid direct sunlight exposure, which can cause fading over time.
- **Accidental breakage:** If a piece breaks off, it may be possible to reattach it using a strong, clear adhesive suitable for polyresin. Apply adhesive sparingly and allow ample drying time.
