3. SETUP

The Hape Maple Wood Kids Building Blocks require minimal setup. Simply remove all packaging materials and the blocks are ready for play. The included cotton bag can be used for convenient storage after play sessions.

4. HOW TO PLAY / OPERATING INSTRUCTIONS

These building blocks are designed for open-ended play, encouraging creativity and skill development. Here are some suggestions:

- **Free Building:** Encourage children to build anything they can imagine, such as towers, houses, bridges, or abstract sculptures.
- **Shape and Color Recognition:** Use the different shapes and colors to teach basic geometry and color

identification.

- **Stacking and Balancing:** Challenge children to stack blocks as high as possible, promoting fine motor skills and understanding of balance.
- **Pattern Creation:** Arrange blocks in repeating patterns to introduce early math concepts.
- **Collaborative Play:** Encourage children to build together, fostering social skills and teamwork.
