Eichhorn HEROS Constructor Large Locomotive Building Set Instruction Manual

Model: 7/100039027

1. INTRODUCTION AND OVERVIEW

The Eichhorn HEROS Constructor Large Locomotive building set provides a versatile construction experience for young builders. This 100-piece wooden set allows for the creation of multiple models, including a large locomotive, an airplane, a tow truck, or a robot. Designed to foster creativity and fine motor skills, this set is suitable for children aged 3 years and up.

Es können 4 Modelle gebaut werden:
Lokomotive, Flugzeug, Abschleppwagen oder Roboter

2. SAFETY INFORMATION

This product is designed with safety in mind. It features carefully rounded corners and edges. The materials used are free from pollutants and plasticizers. No specific safety warnings beyond general toy safety guidelines are required. Always supervise young children during play.

3. PACKAGE CONTENTS

The Eichhorn HEROS Constructor Large Locomotive set includes:

- 100 construction pieces, including wooden blocks, slats, wheels, screws, and nuts.
- Detailed assembly instructions.

4. SETUP AND ASSEMBLY

Follow the included assembly instructions to construct your desired model. The instructions are designed to be child-friendly, guiding you through the process of connecting the various wooden pieces with screws and nuts. Start by identifying the components for your chosen model (locomotive, airplane, tow truck, or robot) and proceed step-by-step.

3+

100
Teile

Im Set sind 100 Teile inklusive
Schrauben und Werkzeuge enthalten.

Image: A child engaged in the assembly process, demonstrating how to connect the wooden pieces using the provided tools and fasteners.

5. OPERATING INSTRUCTIONS

Once assembled, the models can be played with. The construction process itself enhances dexterity and creative thinking. Children can engage in imaginative play with their creations, pushing the locomotive, flying the airplane, or operating the tow truck. The act of assembling and disassembling also promotes spatial reasoning and problem-solving skills.

Das Zusammenfügen fördert und schult
das räumliche Denken und die Feinmotorik
deiner Kinder.

6. MAINTENANCE

To maintain the quality and longevity of your Eichhorn HEROS Constructor set:

- **Cleaning:** Wipe the wooden pieces with a slightly damp cloth. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** Store the pieces in a dry place, away from direct sunlight and extreme temperatures, to prevent warping or damage to the wood.
- **Inspection:** Periodically check all pieces for any signs of wear or damage. Discontinue use if any part is broken or poses a hazard.

7. TROUBLESHOOTING

If you encounter any issues during assembly or play:

- **Missing Pieces:** Carefully check the packaging and surrounding area. If a piece is genuinely missing, contact customer support.
- **Difficulty Assembling:** Refer to the assembly instructions again, ensuring all steps are followed correctly. Sometimes, a small adjustment can make a big difference.

- **Loose Connections:** Ensure all screws and nuts are tightened appropriately. Do not overtighten to avoid damaging the wood.

8. SPECIFICATIONS

Model Number	7/100039027
Brand	Eichhorn
Material	100% FSC Certified Beech Wood
Number of Pieces	100
Recommended Age	3 years and up
Assembled Locomotive Dimensions (L x W x H)	28.5 x 9.2 x 24 cm
Product Dimensions (Packaging)	28 x 8 x 20 cm
Weight	450 grams
