

## Fun Express 15/558

# Fun Express Astronaut Helmet Model 15/558 Instruction Manual

Model: 15/558

## 1. INTRODUCTION

---

Thank you for choosing the Fun Express Astronaut Helmet. This accessory is designed for imaginative play and costume purposes for children and pets. It is a lightweight, soft, and comfortable item intended to enhance creative activities and themed events.

## 2. SAFETY INFORMATION

---

- This helmet is a costume accessory and does not provide protective headgear for any activity.
- Intended for children and pets. It is not designed to fit an average adult head size comfortably.
- Ensure the wearer has an unobstructed view through the face opening at all times.
- Keep away from open flames or high heat sources.
- Small parts (e.g., silver knobs) may detach. Adult supervision is recommended, especially with younger children and pets, to prevent choking hazards.

## 3. PRODUCT OVERVIEW

---

The Fun Express Astronaut Helmet is constructed from soft polyester material, ensuring comfort during wear. It features a clear face opening and decorative elements to resemble a space helmet.

**Figure 1:** Front view of the Fun Express Astronaut Helmet being worn by a child.

- **Material:** Polyester
- **Face Opening:** Approximately 7 3/4 inches x 5 inches
- **Design:** White helmet with 'USA' lettering, blue and yellow circular accents, and silver trim.

**Figure 2:** The Fun Express Astronaut Helmet shown on a pet, demonstrating its versatility.

#### **4. SETUP**

---

The Astronaut Helmet is designed for simple and quick use.

1. Gently open the helmet's base.
2. Slide the helmet over the wearer's head, ensuring the face opening aligns with their face for clear vision.
3. Adjust for comfort. The soft material allows for a flexible fit.

No buttons, snaps, or complex fastenings are required for wearing this helmet.

## 5. OPERATING

---

This helmet is intended for imaginative play and costume use. Encourage creative scenarios such as:

- Space exploration adventures
- Halloween costumes
- Themed parties or events
- Educational activities related to space or science

Always ensure the wearer can breathe easily and has clear vision while using the helmet.

## 6. MAINTENANCE

---

To maintain the condition of your Astronaut Helmet:

- **Cleaning:** Spot clean with a damp cloth and mild soap as needed. Do not machine wash or tumble dry. Allow to air dry completely.
- **Storage:** Store in a cool, dry place away from direct sunlight to prevent material degradation.
- **Handling:** Handle with care to avoid excessive pulling on decorative elements like the silver knobs, which may detach.

## 7. TROUBLESHOOTING

---

### **Issue: Silver knobs detach from the helmet.**

**Solution:** The silver decorative knobs on the side of the helmet may occasionally detach with rough handling or extended use. These can typically be reattached using a strong fabric adhesive or hot glue. Ensure the adhesive is fully dry and secure before allowing use, especially by children or pets.
