Revlon Lighted Swivel Bathroom Mirror User Manual

Model: RVMR9019BZS4

INTRODUCTION

This manual provides essential information for the safe and effective use of your Revlon Lighted Swivel Bathroom Mirror. Please read it thoroughly before operating the device and retain it for future reference.

The Revlon Lighted Swivel Bathroom Mirror features 1x and 5x magnification, 360-degree mirror rotation, and a circulating rim light for soft, warm illumination. It is AC powered and designed with an oiled bronze finish.

SAFETY INSTRUCTIONS

- Always unplug the mirror when not in use or before cleaning.
- Do not use while bathing or in a shower.
- Do not place or store where it can fall or be pulled into a tub or sink.
- Do not place in or drop into water or other liquid.
- If the mirror falls into water, do not reach for it. Unplug it immediately.
- Close supervision is necessary when this product is used by, on, or near children or invalids.
- Use this mirror only for its intended use as described in this manual. Do not use attachments not recommended by the manufacturer.
- Never operate this mirror if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water.
- Keep the cord away from heated surfaces.
- Never drop or insert any object into any opening.
- Do not use outdoors.
- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
- Ensure the mirror is placed on a stable, flat surface.

SETUP

Your Revlon Lighted Swivel Bathroom Mirror is designed for easy setup. Follow these steps to prepare your mirror for use:

1. **Unpacking:** Carefully remove the mirror from its packaging. Inspect for any damage during transit.
2. **Placement:** Place the mirror on a stable, flat, and dry surface, such as a vanity or countertop. Ensure there is adequate space around the mirror for comfortable use and rotation.
3. **Power Connection:** Locate the AC power cord. Insert the plug firmly into a standard electrical outlet (120V AC).

OPERATING INSTRUCTIONS

The Revlon Lighted Swivel Bathroom Mirror offers versatile viewing options:

- **Power On/Off:** To turn the light on, locate the switch on the base or side of the mirror and toggle it to the 'ON' position.

Toggle it to 'OFF' to turn the light off.

- **Magnification:** The mirror features two sides:
 - One side provides **1x magnification** for a regular, true-to-life reflection.
 - The other side provides **5x magnification** for detailed close-up viewing, ideal for makeup application, tweezing, or other precise tasks.
- **Swivel Function:** The mirror head can be rotated 360 degrees to easily switch between the 1x and 5x magnification sides. Gently rotate the mirror head to your desired viewing angle.
- **Illumination:** The circulating rim light provides soft, warm illumination around the mirror, ensuring even lighting for your reflection.

Proper care will ensure the longevity and performance of your Revlon mirror:

- **Cleaning the Mirror Surface:**

1. Unplug the mirror from the electrical outlet.
2. Use a soft, damp cloth with a mild glass cleaner or water to wipe the mirror surfaces.
3. Dry thoroughly with a clean, lint-free cloth.
4. *Do not* use abrasive cleaners or harsh chemicals, as they may damage the mirror's finish or coating.

- **Cleaning the Base and Frame:**

- Wipe the bronze finish base and frame with a soft, dry cloth.
- Avoid using water or cleaning solutions directly on the electrical components.

- **Storage:** When not in use, store the mirror in a cool, dry place, away from direct sunlight and excessive humidity.

- **Cord Care:** Do not wrap the power cord around the mirror. Store the cord loosely to prevent damage.

TROUBLESHOOTING

If you encounter any issues with your Revlon Lighted Swivel Bathroom Mirror, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Light does not turn on.	Mirror not plugged in. Power outlet is not working. Light switch is off.	Ensure the power cord is securely plugged into a working electrical outlet. Test the outlet with another appliance. Flip the light switch to the 'ON' position.
Mirror surface is blurry or dirty.	Dust or smudges on the mirror. Improper cleaning method.	Clean the mirror surface with a soft, damp cloth and mild glass cleaner. Refer to the "Maintenance and Care" section for proper cleaning instructions.
Mirror does not swivel smoothly.	Accumulation of dust or debris in the swivel mechanism.	Gently wipe around the swivel joint with a dry cloth to remove any obstructions. Do not force rotation.

If the problem persists after attempting these solutions, please contact customer support.
