Adesso 3193-01

Adesso Titan Floor Lamp (Model 3193-01) Instruction Manual

Brand: Adesso

1. PRODUCT OVERVIEW

The Adesso Titan Floor Lamp, Model 3193-01, is a 72-inch tall floor lamp featuring a black MDF veneer open box frame and three integrated shelves. It includes a collapsible square off-white poly-cotton shade and is operated by a ball accent pull-chain switch. This lamp is designed to provide ambient lighting and functional storage for various indoor spaces.

Figure 1: Adesso Titan Floor Lamp, Model 3193-01.

Key Features:

- **Integrated Storage:** Three open shelves provide space for decorative items, books, or small plants.
- **Durable Construction:** Crafted with MDF finished in a black PVC veneer for stability and longevity.
- **Soft Illumination:** Features a collapsible poly-cotton shade for diffused, warm light.
- **Convenient Operation:** Equipped with a ball pull-chain switch for easy on/off control.
- **Flexible Placement:** Includes an over 10-foot (128-inch) clear cord for versatile positioning.
- **Smart Outlet Compatible:** Designed to work with smart home systems.

2. SAFETY INFORMATION

Please read and understand all instructions before assembling and using this product. Failure to follow these instructions may result in electric shock, fire, or serious injury.

- **Indoor Use Only:** This lamp is intended for indoor use in dry locations only. Do not expose to water

or moisture.

- **Electrical Safety:** Ensure the power supply is disconnected before assembly, installation, or maintenance. Use only bulbs with the specified wattage and base type.
- **Bulb Type:** Compatible with E26 medium base bulbs, up to 150W (bulb not included). Do not exceed the maximum wattage.
- **Stable Placement:** Place the lamp on a flat, stable surface to prevent tipping.
- **Cord Management:** Route the power cord safely to avoid tripping hazards and prevent damage. Do not place heavy objects on the cord.
- **UL/ETL Certification:** This product is UL Listed, indicating it meets government-regulated safety standards for the USA.

TITAN SHELF FLOOR LAMP

The **Titan shelf floor lamp** combines style with functionality. With a black PVC veneer finish on MDF body and base, an off-white square shade, and a height of 72 inches, it's perfect for the living room, home office, or bedroom.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

- Lamp Frame Components (MDF with black PVC veneer)
- Fabric Shade (collapsible poly-cotton)

- Light Socket Assembly with Pull Chain
- Power Cord
- Assembly Hardware (screws, connectors, etc.)
- Instruction Manual

Note: Bulb is not included and must be purchased separately.

4. ASSEMBLY INSTRUCTIONS

Assembly typically requires a Phillips head screwdriver (not included). Follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.

2. **Assemble Base:** Connect the vertical support posts to the base shelf using the provided hardware. Ensure all connections are secure.

3. **Install Middle Shelves:** Attach the two middle shelves to the vertical support posts, securing them with the appropriate hardware.

4. **Attach Top Section:** Connect the top section of the lamp frame, which houses the light socket, to the upper vertical posts.

5. **Install Light Socket:** Secure the light socket assembly within the designated area in the top section of the lamp. Ensure the pull chain hangs freely.

6. **Attach Fabric Shade:** Expand the collapsible fabric shade and secure it around the light socket assembly according to the shade's design.

7. **Insert Bulb:** Screw an E26 medium base bulb (max 150W, not included) into the light socket.

8. **Final Check:** Verify all connections are tight and the lamp is stable before plugging it into a power outlet.

DESIGNS THAT LAST, QUALITY THAT MATTERS.

5. OPERATING INSTRUCTIONS

Once assembled and a bulb is installed, the Adesso Titan Floor Lamp is ready for use.

1. **Connect to Power:** Plug the lamp's power cord into a standard 120V AC electrical outlet.

2. **Turn On/Off:** Gently pull the ball accent chain to turn the lamp on or off.

3. **Smart Outlet Compatibility:** If using a smart outlet (not included), ensure the lamp's pull chain is in the 'on' position, then control the lamp via your smart outlet's application or voice commands.

6. MAINTENANCE

Regular maintenance ensures the longevity and optimal performance of your lamp.

- **Cleaning:** Disconnect the power before cleaning. Wipe the lamp frame with a soft, dry cloth. For the fabric shade, use a lint roller or a soft brush to remove dust. Do not use abrasive cleaners or solvents.
- **Bulb Replacement:** Ensure the lamp is unplugged and the bulb has cooled before attempting to replace it. Screw in a new E26 medium base bulb, not exceeding 150W.
- **Cord Inspection:** Periodically inspect the power cord for any signs of damage, fraying, or overheating. If damage is found, discontinue use and contact customer support.
- **Shelf Capacity:** Do not overload the shelves. Distribute weight evenly to maintain stability.

7. TROUBLESHOOTING

If you encounter issues with your Adesso Titan Floor Lamp, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Lamp does not turn on.	No power, loose bulb, faulty bulb, pull chain not engaged.	Check power outlet, ensure plug is fully inserted. Tighten or replace bulb. Pull chain firmly.
Light flickers.	Loose bulb, incorrect bulb type/wattage, unstable power.	Tighten bulb. Ensure bulb meets specifications. Try a different outlet.
Lamp is unstable.	Loose assembly, uneven surface.	Check all assembly connections and tighten screws. Place on a flat, level surface.

If the problem persists after attempting these solutions, please contact Adesso customer support.
