## 1. INTRODUCTION

The PLUS PLUS PP3910 Mini Adventure Construction Set is an educational and engaging toy designed to foster imagination and fine motor skills. This set allows for the creation of both 2D and 3D models using unique interlocking pieces. It is suitable for children aged 3 years and above.

This manual provides detailed instructions for the assembly and use of your PLUS PLUS construction set, ensuring a safe and enjoyable experience.

## 2. SAFETY WARNINGS

Please read all instructions and safety information before using this product. Retain this manual for future reference.

- **Choking Hazard:** This set contains small parts. Not suitable for children under 3 years due to potential choking hazards. Adult supervision is recommended for young children.
- **Material Safety:** The pieces are made from 100% polyethylene (PE) and are designed to be safe for children.
- **Intended Use:** Use this product only for its intended purpose of construction and creative play. Do not ingest pieces or use them in any way other than specified.
- **Cleaning:** Refer to the Maintenance section for proper cleaning instructions.

## 3. SETUP AND ASSEMBLY

The PLUS PLUS Mini Adventure set is designed for self-assembly. Follow these steps to begin your construction project:

- Unpack Contents:** Carefully open the product packaging and remove all 250 PLUS PLUS pieces and the included construction model mat.
- Prepare Workspace:** Lay out the construction model mat on a clean, flat surface. This mat serves as your guide for building the sword and fire models.
- Sort Pieces (Optional):** For easier assembly, you may sort the PLUS PLUS pieces by color. The set includes 10 different colors.

## 4. OPERATION (BUILDING YOUR MODELS)

This set utilizes a "Puzzle by Number" method to guide your construction. Each number on the model mat corresponds to a specific color of PLUS PLUS piece.

- Identify Colors:** Refer to the legend on the construction model mat. Each number (1-10) is associated with a specific color of PLUS PLUS piece.
- Match and Place:** Locate the numbered sections on the model mat. Select the corresponding colored PLUS PLUS piece and place it onto the mat, interlocking it with adjacent pieces.
- Interlocking Pieces:** PLUS PLUS pieces are designed to interlock securely. Simply push two pieces

together to connect them. They can be connected side-by-side or end-to-end to create various shapes and structures.

4. **Follow the Pattern:** Continue matching the numbers on the mat with the correct colored pieces until the entire model (sword and fire) is complete.
5. **Creative Play:** Once the guided models are built, you can use the remaining pieces, or disassemble your creations, to build anything your imagination desires in 2D or 3D.

## 5. MAINTENANCE

---

Proper care will ensure the longevity of your PLUS PLUS construction set.

- **Cleaning:** The polyethylene pieces can be cleaned with a damp cloth and mild soap. Rinse thoroughly and air dry completely before storage. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** Store all pieces in a dry, cool place away from direct sunlight to prevent material degradation or discoloration. Keep pieces in the original box or a suitable container to prevent loss.
- **Inspection:** Periodically inspect pieces for any signs of damage or wear. Discard any broken or severely damaged pieces to prevent injury.

## 6. TROUBLESHOOTING

---

Here are solutions to common issues you might encounter:

Problem	Solution
Pieces do not connect easily.	Ensure pieces are aligned correctly. Apply gentle, even pressure. Avoid forcing pieces, as this can cause damage.
Missing pieces.	Carefully check the packaging and your workspace. If pieces are genuinely missing from a new set, contact the manufacturer's customer support.
Difficulty following the "Puzzle by Number" guide.	Double-check the color legend. Ensure you are using the correct color for each numbered section. Take breaks if needed.

## 7. PRODUCT SPECIFICATIONS

---

Feature	Detail
Brand	PLUS PLUS
Model Number	PP3910
Product Dimensions (L x W x H)	16.3 x 16.3 x 4.5 cm
Weight	125 grams
Recommended Age	36 months - 15 years
Educational Value	Visual development, motor skills, color recognition, imagination development, creative thinking
Language (Manual)	English
Number of Pieces	250
Self-Assembly Required	Yes

Feature	Detail
Main Material	Polyethylene (PE)
