SIMPLIHOME AXCHOL001

SIMPLIHOME Bedford Solid Wood Coffee Table Instruction Manual

Model: AXCHOL001

INTRODUCTION

Thank you for choosing the SIMPLIHOME Bedford Solid Wood Coffee Table. This handcrafted piece is designed to enhance your living space with its functional design and elegant finish. Featuring two functional drawers for convenient storage, this coffee table is a versatile addition to any room. This manual provides essential information for assembly, usage, maintenance, and care to ensure the longevity and enjoyment of your product.

SAFETY INFORMATION

- Always assemble the product on a soft, clean surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload drawers. Distribute weight evenly.
- Keep small parts and packaging materials away from children and pets.
- Do not stand or sit on the coffee table.

- Avoid placing hot items directly on the surface. Always use coasters or protective pads.

PACKAGE CONTENTS

Please check that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer support.

- Coffee Table Top/Body (1)
- Legs (4)
- Drawer Handles (2)
- Assembly Hardware (screws, washers, Allen key - extra parts may be included)

SETUP AND ASSEMBLY INSTRUCTIONS

Assembly of your SIMPLIHOME Bedford Coffee Table is designed to be straightforward and quick. Most of the table is pre-assembled, requiring only the attachment of the legs and drawer handles.

1. **Unpack Components:** Carefully remove all parts from the packaging. Place them on a soft, clean surface to prevent damage.
2. **Attach Legs:** Locate the four legs and the corresponding attachment points on the underside of the coffee table body. Align each leg with its designated corner. Secure each leg using the provided screws and Allen key. Ensure all screws are tightened firmly.
3. **Install Drawer Handles:** Attach the two drawer handles to the front of the drawers using the provided screws. Tighten securely.
4. **Position Table:** Carefully turn the assembled coffee table upright and place it in your desired location.

OPERATING AND USAGE

The SIMPLIHOME Bedford Coffee Table is designed for daily use in your living area. Its primary function is to provide a surface for beverages, books, and decorative items, along with convenient storage.

- **Surface Use:** Use the top surface for placing items such as drinks (always use coasters), remote controls, magazines, or decorative accents.
- **Drawer Functionality:** The two functional drawers are equipped with metal glides for smooth operation. Use them to store small items, keeping your table surface clutter-free.
- **Weight Distribution:** Distribute weight evenly across the table surface and within the drawers to maintain stability and prevent damage. The maximum weight recommendation for the table is 133 pounds.

MAINTENANCE AND CARE

Proper care will help preserve the beauty and finish of your solid wood coffee table. This product features a Medium Auburn Brown stained and glazed finish with a protective NC lacquer.

- **Cleaning:** Wipe clean with a soft, dry cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Protection:** The finish is susceptible to scratches. Always use coasters under drinks and protective pads under hot items or objects with rough bases.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.
- **Humidity:** Maintain a consistent humidity level in your home. Extreme changes in temperature and humidity can cause wood to expand, contract, or crack.
- **Addressing Scratches:** Minor scratches may be touched up with a wood repair marker or polish matching the finish. For deeper scratches, professional refinishing may be required.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Table wobbles after assembly.	Legs not tightened evenly or floor is uneven.	Check and re-tighten all leg screws. If the floor is uneven, use furniture pads or shims under the legs.
Drawers do not slide smoothly.	Obstruction in glides or glides are misaligned.	Ensure nothing is blocking the drawer glides. Check if the drawer is properly seated on the glides.
Surface scratches easily.	Normal wear for wood finishes; lack of protective measures.	Always use coasters and protective pads. For existing scratches, consider wood repair markers or professional refinishing.

SPECIFICATIONS
