Mega Bloks 91338 Lizard Sewer Speeder Construction Set Instruction Manual

INTRODUCTION

This manual provides detailed instructions for assembling and operating your Mega Bloks 91338 Lizard Sewer Speeder construction set. Please read all instructions carefully before beginning assembly.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small parts. Not suitable for children under 3 years (36 months).

Adult supervision is recommended during assembly and play, especially for younger children.

PACKAGE CONTENTS

Your Mega Bloks 91338 Lizard Sewer Speeder set includes:

- Approximately 91 building pieces.
- One Lizard character figure.
- Instruction sheet.

Image: All components of the Mega Bloks Lizard Sewer Speeder set, including the Lizard figure, various building blocks, and the translucent green propeller.

ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Lizard Sewer Speeder:

1. **Step 1: Prepare the Base.** Begin by identifying the larger base pieces. Connect them to form the main hull of the sewer speeder.
2. **Step 2: Construct the Side Floats.** Attach the black and grey block assemblies to the sides of the main hull. Ensure they are securely fastened.
3. **Step 3: Install the Missile Launchers.** Locate the small yellow translucent pieces and integrate them into the front sections of the side floats. These represent the missile launchers.
4. **Step 4: Build the Rear Propeller Mount.** Assemble the grey and black blocks that will form the support structure for the rear propeller.
5. **Step 5: Attach the Propeller.** Secure the large translucent green propeller to the rear mount. Ensure it can rotate freely.
6. **Step 6: Create the Cockpit.** Assemble the central cockpit area where the Lizard figure will sit.
7. **Step 7: Place the Lizard Figure.** Carefully place the Lizard character figure into the assembled cockpit.

Image: Rear-left view of the fully assembled Lizard Sewer Speeder, highlighting the translucent green propeller and the Lizard figure.

OPERATING INSTRUCTIONS

The Lizard Sewer Speeder features a retro-friction mechanism and missile launchers for interactive play.

- **Retro-Friction:** To activate the retro-friction feature, pull the vehicle backward along a flat surface, then release it. The vehicle will propel forward.
- **Missile Launchers:** The yellow translucent pieces at the front of the vehicle represent missile launchers. While these are not functional firing mechanisms, they are designed for imaginative play.

MAINTENANCE

To ensure the longevity of your Mega Bloks set:

- **Cleaning:** Wipe pieces with a damp cloth if they become dirty. Do not submerge in water or use harsh chemicals.
- **Storage:** Store the set in a dry, cool place away from direct sunlight to prevent discoloration or warping of plastic parts.
- **Disassembly:** For storage or reassembly, carefully detach the blocks. Avoid excessive force to prevent damage.

TROUBLESHOOTING

If you encounter issues during assembly or play:

- **Missing Pieces:** Carefully check the packaging and surrounding area. If pieces are genuinely missing, refer to the manufacturer's support information (if available).
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and aligned. Apply gentle, even pressure.
- **Vehicle Not Moving:** For the retro-friction feature, ensure the wheels or base are making good contact with a smooth, flat surface and that the mechanism is not obstructed.

SPECIFICATIONS

Model Number:	91338
Brand:	Mega Bloks
Material:	Plastic
Number of Pieces:	91
Product Dimensions (L x W x H):	20.3 x 5.1 x 20.3 cm (8 x 2 x 8 inches)
Recommended Age:	6 years and up
Character:	Lizard (from Spider-Man)
UPC:	065541913387

WARRANTY AND SUPPORT

Specific warranty information and direct support contact details are not provided in the product description. For assistance with missing parts or product defects, please refer to the manufacturer's official website or contact the retailer where the product was purchased.
