

MUVIT MUBKC0359

MUVIT MUBKC0359 SPORT Cover for iPhone 4/4S User Manual

Model: MUBKC0359

INTRODUCTION

Thank you for choosing the MUVIT MUBKC0359 SPORT Cover for your iPhone 4 or iPhone 4S. This manual provides essential information for the proper installation, use, and maintenance of your new protective cover. Please read this manual thoroughly before use to ensure optimal performance and longevity of the product.

SETUP AND INSTALLATION

- Prepare your device:** Ensure your iPhone 4 or iPhone 4S is clean and free of dust or debris.
- Align the cover:** Carefully align the MUVIT SPORT Cover with your iPhone, ensuring that all cutouts for buttons, ports, and the camera match the device's features.
- Insert the device:** Gently press your iPhone into the cover, starting from one side and working your way around until the device is fully seated and secured within the cover. Avoid excessive force.
- Verify fit:** Check that the cover is snugly fitted around your iPhone and that all buttons and ports are accessible and functional.

OPERATING INSTRUCTIONS

The MUVIT MUBKC0359 SPORT Cover is designed to provide protection for your iPhone 4/4S while maintaining full functionality. Once installed, your device can be used as normal.

- Button Access:** The cover features precise cutouts or integrated button covers for the power button, volume buttons, and mute switch, allowing for normal operation.
- Port Access:** Charging ports, headphone jacks, and speaker grilles are accessible through dedicated cutouts.
- Camera Functionality:** A precise cutout ensures unobstructed use of the rear camera and flash.

Note: While the cover offers protection against minor impacts and scratches, it is not designed to make

your device waterproof or indestructible. Exercise caution during use.

CARE AND MAINTENANCE

To ensure the longevity and appearance of your MUVIT SPORT Cover, follow these care instructions:

- **Cleaning:** Wipe the cover regularly with a soft, damp cloth. For stubborn dirt, a mild soap solution can be used. Avoid harsh chemicals, abrasive cleaners, or solvents, as these may damage the material.
- **Storage:** When not in use, store the cover in a cool, dry place away from direct sunlight and extreme temperatures.
- **Inspection:** Periodically inspect the cover for any signs of wear or damage. If the cover is significantly damaged, consider replacing it to ensure continued protection for your device.

TROUBLESHOOTING

If you encounter any issues with your MUVIT MUBKC0359 SPORT Cover, please refer to the following common solutions:

- **Cover does not fit properly:**
 - Ensure you have the correct model (iPhone 4 or iPhone 4S).
 - Remove any existing screen protectors or films that might interfere with the fit.
 - Re-align and re-install the cover carefully, ensuring all edges snap into place.
- **Buttons are difficult to press:**
 - Verify the cover is correctly seated and not misaligned.
 - Ensure no debris is lodged between the phone and the cover's button areas.
- **Ports are obstructed:**
 - Check for any foreign objects in the port cutouts.
 - Confirm the cover is fully and correctly installed.

If problems persist, please contact customer support.
