SmartMax Power Vehicles - Complete Set Instruction Manual

Model: SMX303US

1. Introduction

Welcome to the world of SmartMax Power Vehicles! This complete set is designed to introduce young children (ages 36 months to 12 years) to the exciting principles of magnetism and construction through play. With 25 colorful, oversized pieces, children can build a variety of vehicles, fostering creativity, fine motor skills, and an understanding of basic STEM concepts. All SmartMax sets are compatible, allowing for endless building possibilities.

2. Product Contents

Your SmartMax Power Vehicles Complete Set includes 25 magnetic pieces, carefully crafted for durability and safety.

- Magnetic bars (various lengths and colors)
- Metal balls (connectors)
- Wheel sets
- Vehicle cabins/canopies
- Ladders
- Shovels
- Connectors
- Other specialized vehicle parts

3. Assembly Instructions

Building with SmartMax is intuitive and fun. The magnetic pieces easily connect, allowing children to construct vehicles and other structures.

1. **Identify Components:** Familiarize yourself with the different types of magnetic bars, metal balls, and vehicle parts.
2. **Connect Bars to Balls:** The magnetic bars have magnets at their ends that securely attach to the metal balls. These balls act as universal connectors.
3. **Attach Vehicle Parts:** Specialized vehicle parts like cabins, wheels, ladders, and shovels are designed to snap onto or connect magnetically with the bars and balls. Ensure parts click securely into place, especially the wheels.
4. **Experiment:** Encourage free exploration. The beauty of SmartMax is the ability to mix and match pieces to create unique vehicles and designs.

4. Play & Creativity

SmartMax Power Vehicles encourage open-ended play and STEM learning. Children can:

- Build different types of vehicles: trucks, cars, excavators, and more.
- Combine pieces from other SmartMax sets to expand their creations.
- Explore concepts of magnetic attraction, balance, and structural integrity.
- Develop fine motor skills and hand-eye coordination through manipulation of the pieces.
- Engage in imaginative play scenarios with their custom-built vehicles.

5. Care & Maintenance

To ensure the longevity of your SmartMax Power Vehicles set:

- **Cleaning:** Wipe pieces with a damp cloth and mild soap if necessary. Do not immerse magnetic pieces in water.
- **Storage:** Store all pieces in a dry place, away from extreme temperatures. The original packaging can be used for convenient storage.
- **Inspection:** Periodically inspect all pieces for any signs of wear or damage. Discontinue use of any broken pieces to prevent potential hazards.

6. Safety Information

SmartMax products are designed with safety in mind. Please observe the following:

- **Recommended Age:** Suitable for children aged 36 months to 12 years.
- **Choking Hazard:** While pieces are oversized, always supervise young children during play.
- **Magnetic Safety:** Magnets are securely enclosed within the pieces. In the unlikely event a magnet becomes dislodged, keep it away from children and seek medical attention if swallowed.
