Bialetti 07193

Bialetti Aeternum Red 7193 11-inch Stir Fry Pan User Manual

INTRODUCTION

This manual provides essential information for the safe and effective use of your Bialetti Aeternum Red 7193 11-inch Stir Fry Pan. This pan is designed for versatile cooking, featuring a durable, heavy-gauge aluminized steel construction with a red, high-temperature non-stick exterior and a white ceramic interior for easy food release and browning. It is free of PFOA, PTFE, and Cadmium, ensuring a safer cooking experience.

Key features include:

- Non-stick ceramic interior for easy food release.
- 3.3mm gauge construction for superior heat distribution.
- Ergonomic, heat-resistant, soft-touch handles.
- PFOA, PTFE, and Cadmium-free coating.
- High-temperature exterior finish.

SETUP

Before First Use

1. Remove all packaging materials and labels from the pan.
2. Wash the pan thoroughly with warm, soapy water and a soft sponge.
3. Rinse completely and dry immediately with a soft cloth.

Stovetop Compatibility

This stir fry pan is compatible with induction stovetops, as well as gas, electric, and ceramic cooktops.

OPERATING INSTRUCTIONS

Heat Management

The pan's construction provides excellent heat distribution. For optimal performance and to preserve the

non-stick coating, use **medium-low heat settings**. High heat is generally not required and can damage the non-stick surface over time.

Cooking with Oil/Butter

While the pan features a non-stick surface, using a small amount of cooking oil or butter is recommended for best results and to enhance flavor.

Recommended Utensils

To protect the non-stick interior, use only **nylon, wood, or high-temperature silicone tools**. Avoid using sharp-pointed metal utensils, knives, or small appliances like electric mixers directly in the pan, as these can scratch or damage the non-stick surface and void the warranty.

Oven Use

This pan is **not oven safe**. Do not place it in an oven.

MAINTENANCE AND CARE

Cleaning Instructions

This pan is **hand wash only**. It is **not dishwasher safe**. To clean:

1. Allow the pan to cool completely before washing to prevent warping.
2. Wash with warm, soapy water and a soft sponge or cloth.
3. Avoid abrasive cleaners, scouring pads, or steel wool, as these can damage the non-stick coating.
4. Rinse thoroughly and dry immediately to prevent water spots.

Non-Stick Coating Information

The pan features a ceramic non-stick coating that is applied at a low temperature, contributing to reduced CO2 emissions. This coating is PFOA-free, PTFE-free, and Cadmium-free.

Image: Cross-section diagram illustrating the pan's construction layers (ceramic coating, aluminum, hi-temp silicone) and highlighting its PFOA-free and PTFE-free properties.

Storage

When storing, place a soft cloth or pan protector between pans if stacking to prevent scratches to the non-stick surface.

TROUBLESHOOTING

Food Sticking

- **Issue:** Food begins to stick to the non-stick surface.
Solution: Ensure you are using appropriate heat settings (medium-low). High heat can degrade the non-stick coating over time. Always use a small amount of oil or butter. Ensure the pan is clean and free of residue from previous cooking.

Discoloration

- **Issue:** The interior or exterior of the pan discolors.
Solution: Discoloration can occur from prolonged use of excessively high heat. Always cook on medium-low heat. Ensure the pan is cleaned thoroughly after each use to prevent food residue buildup.

Scratches on Surface

- **Issue:** Scratches appear on the non-stick coating.
Solution: Always use non-metal utensils such as nylon, wood, or silicone. Avoid cutting food directly in the pan.

SPECIFICATIONS

- **Model Number:** 07193
- **Brand:** Bialetti
- **Material:** Aluminized Steel (pan body), Steel (handle)
- **Color:** Red/White
- **Capacity:** 11 Inches (diameter)
- **Product Dimensions:** 18.5 x 4.25 x 11.25 inches
- **Item Weight:** 2.1 Pounds
- **Special Feature:** Induction Stovetop Compatible
- **Nonstick Coating:** Yes (Ceramic, PFOA/PTFE/Cadmium-free)
- **Oven Safe:** No
- **Dishwasher Safe:** No (Hand Wash Only)
- **Manufacturer:** Bradshaw International
