Storkcraft Portofino 5-in-1 Convertible Crib & Changer Instruction Manual

Model: 04586-471 | Brand: Storkcraft

Introduction

This manual provides essential instructions for the safe assembly, operation, and maintenance of your Storkcraft Portofino 5-in-1 Convertible Crib & Changer. This versatile furniture piece is designed to adapt to your child's growth, converting from a crib to a toddler bed, daybed, and full-size bed. It also features an attached changing table for convenience. Please read all instructions thoroughly before assembly and retain this manual for future reference.

Safety Information

Your child's safety is our top priority. The Storkcraft Portofino Crib & Changer is GREENGUARD Gold Certified, meaning it has been screened for over 10,000 chemicals and VOCs to ensure cleaner indoor air. It is also Baby Safety Alliance Verified, having been expert tested by third-party, accredited laboratories to meet or exceed all applicable safety standards.

- **Maximum Weight/Height:** This crib is designed for use until your child can easily climb out or is taller than 35 inches (89 cm), or weighs up to 50 pounds.
- **Mattress Compatibility:** Use only a standard full-size crib & toddler mattress (sold separately). Ensure the mattress fits snugly without gaps.
- **Changer Safety:** The attached changing table includes a waterproof changing pad with a safety strap. Always use the safety strap and never leave your child unattended on the changing table.
- **Assembly:** Ensure all parts are correctly assembled and fasteners are tightened according to the instructions. Regularly check for loose hardware.

Setup & Assembly

Assembly of the Storkcraft Portofino Crib & Changer is required. All necessary parts, hardware, and detailed assembly instructions are included in the packaging. Please follow the step-by-step instructions provided with your product carefully. It is recommended to have a helper during certain assembly stages, particularly when attaching main components or securing the mattress support base.

Before beginning, ensure you have adequate space and all components are present and undamaged. If any parts are missing or damaged, do not proceed with assembly and contact customer support.

Operating Instructions

Crib Mode

The unit functions as a standard baby crib. Ensure the mattress is placed on the adjustable support base at the appropriate height for your child's developmental stage.

Mattress Height Adjustment

The mattress support base can be adjusted to 4 different height positions. For newborns, the highest position is typically used. As your child grows and becomes more mobile, lower the mattress support to prevent climbing out. Refer to the detailed assembly instructions for specific steps on adjusting the mattress height.

Conversion to Toddler Bed

To convert the crib to a toddler bed, remove the front crib rail and install a toddler safety guardrail (sold separately). Follow the specific instructions provided with the guardrail and the crib manual for proper installation.

Conversion to Daybed

The crib can be converted into a daybed by removing the front crib rail. This configuration provides an open seating area suitable for older children.

Conversion to Full-Size Bed

For conversion to a full-size bed, a compatible Storkcraft full-size bed conversion kit (sold separately) is required. This conversion utilizes the crib's headboard and can include an optional footboard. Follow the instructions provided with the conversion kit for proper assembly.

Maintenance & Care

To maintain the quality and appearance of your Storkcraft Portofino Crib & Changer, follow these care guidelines:

- **Cleaning:** Wipe surfaces with a damp cloth. Avoid using abrasive cleaners or strong chemicals that may damage the finish.
- **Regular Inspection:** Periodically check all screws, bolts, and other fasteners to ensure they are tight and secure. Tighten as needed.
- **Storage:** If disassembling for storage, keep all hardware and instructions in a safe place for future reassembly.

Troubleshooting

If you encounter any issues with your Storkcraft Portofino Crib & Changer, please refer to the following common solutions:

- **Drawer Instability:** Ensure that the drawer glides are correctly installed and all screws securing the drawer components are fully tightened. Improper assembly can lead to drawers falling out.

- **Cosmetic Imperfections (Scratches/Glue Marks):** While packaging is tested to reduce damage, minor imperfections can occur. For significant issues, contact Storkcraft Customer Care. For minor marks, gentle cleaning with a damp cloth may help.
- **General Instability:** Recheck all connections and fasteners throughout the crib and changing table. Ensure the unit is placed on a flat, level surface.
