# Primo Vista King Panel Storage Bed User Manual

Model: 4453-258/269/460/4999-707 | Brand: Broyhill

## INTRODUCTION

---

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your Broyhill Primo Vista King Panel Storage Bed. Please read this manual thoroughly before beginning assembly or use to ensure proper setup and longevity of your product.

Image: The Primo Vista King Panel Storage Bed, featuring a dark wood finish, a panel headboard, and two integrated storage drawers at

the foot of the bed. The bed is shown with a white mattress and pillows.

The Primo Vista King Panel Storage Bed is designed with a clean, streamlined aesthetic, featuring a black stain finish with a rich amber undertone that highlights the ash wood veneers. Its contemporary style is enhanced by visible legs and posts on the top surface, creating intersecting planes and contrasting grain patterns. The integrated storage drawers at the foot of the bed provide practical space-saving solutions, complete with gunmetal finish bar pulls.

## SETUP AND ASSEMBLY

---

Before assembly, ensure all components are present and undamaged. It is recommended to assemble the bed with at least two people.

### Package Contents:

- Headboard
- Footboard with integrated storage drawers
- Side Rails (2)
- Slat Roll
- Hardware Pack (bolts, washers, nuts, Allen wrench)

### Required Tools (Not Included):

- Phillips Head Screwdriver
- Rubber Mallet (optional, for gentle tapping)

### Assembly Steps:

1. **Unpack Components:** Carefully remove all parts from the packaging. Lay them out on a soft, clean surface to prevent scratches.
2. **Attach Side Rails to Headboard:** Align the pre-drilled holes on the side rails with the corresponding holes on the headboard. Secure using the provided bolts and washers. Do not fully tighten until all connections are made.
3. **Attach Side Rails to Footboard:** Repeat the process from step 2 to attach the other end of the side rails to the footboard. Ensure the footboard's storage drawers are facing outwards.
4. **Tighten All Connections:** Once all major components are connected, carefully tighten all bolts using the Allen wrench. Do not overtighten.
5. **Install Slat Roll:** Unroll the slat roll across the bed frame. Secure the slat roll to the side rails using the provided screws. Ensure slats are evenly spaced and firmly attached.
6. **Verify Stability:** Gently shake the assembled bed frame to ensure it is stable and all connections are secure.

For detailed visual instructions, refer to the assembly diagram included in your hardware pack.

## OPERATING INSTRUCTIONS

---

### Using the Storage Drawers:

The Primo Vista bed features two integrated storage drawers at the footboard. These drawers are designed for convenient storage of bedding, clothing, or other items.

- **Opening:** Gently pull the bar pulls located on the front of each drawer to open.
- **Closing:** Push the drawers back into the footboard until they are fully closed and flush with the frame.
- **Weight Capacity:** Do not overload the drawers. Distribute weight evenly. Refer to specifications for maximum

weight capacity per drawer.

## Mattress Placement:

Place your King-sized mattress directly onto the secured slat roll. A box spring is typically not required with this bed frame due to the supportive slat system, but can be used if desired for additional height or firmness.

## CARE AND MAINTENANCE

---

Regular care will help maintain the appearance and longevity of your Primo Vista bed.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Dusting:** Dust regularly with a dry, soft cloth.
- **Spills:** Blot spills immediately with a clean, dry cloth.
- **Hardware Check:** Periodically check and tighten all assembly hardware to ensure the bed remains stable. Do this every 3-6 months.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration of the wood finish.
- **Humidity:** Maintain a consistent humidity level in the room to prevent wood from warping or cracking.

## TROUBLESHOOTING

---

Problem	Possible Cause	Solution
Bed feels wobbly or unstable.	Loose hardware connections.	Check and tighten all bolts and screws. Ensure all components are properly aligned.
Drawers are difficult to open or close.	Overloaded drawers, debris in drawer glides, or misaligned glides.	Reduce drawer contents. Clean drawer glides. Check for proper alignment of drawer glides and adjust if necessary.
Squeaking noises.	Loose connections, friction between wood parts or slats.	Tighten all hardware. Apply a small amount of furniture wax or silicone spray to contact points between slats and side rails if necessary.

If you encounter issues not listed here or require further assistance, please contact customer support.

## SPECIFICATIONS

---

- **Product Name:** Primo Vista King Panel Storage Bed
- **Model Number:** 4453-258/269/460/4999-707
- **Brand:** Broyhill
- **Material:** Hardwood Solids, Select Ash Wood Veneers
- **Finish:** Black Stain with Rich Amber Undertone
- **Drawer Pulls:** Gunmetal Finish Bar Pulls
- **Drawer Construction:** Dovetail
