# MAAX Exhibit Rectangular Acrylic Soaking Bathtub User Manual

Model: 105520-L-000-001

## INTRODUCTION

---

Thank you for choosing the MAAX Exhibit Rectangular Acrylic Soaking Bathtub. This manual provides essential information for the safe installation, operation, and maintenance of your new bathtub. The Exhibit series is designed with simple lines, complementing both traditional and contemporary bathroom styles. This rectangular bathtub is intended for alcove installation and features a modern, wide deck for versatile faucet placement, discreet armrests, a textured floor, and an integrated tiling flange.

## SAFETY INFORMATION

---

Please read all instructions carefully before installation and use. Failure to follow these instructions could result in injury or property damage. Keep this manual for future reference.

- Ensure all local plumbing and building codes are met during installation.
- Always use appropriate personal protective equipment (PPE) during installation.
- Verify the floor structure can support the weight of the bathtub when filled with water and a person.
- Do not use abrasive cleaners or tools that could scratch the acrylic surface.
- Supervise children and individuals with limited mobility when using the bathtub.
- Avoid placing heavy or sharp objects on the bathtub surface.

## COMPONENTS AND PACKAGE CONTENTS

---

Verify that all components are present and undamaged before beginning installation.

- MAAX Exhibit Rectangular Acrylic Soaking Bathtub
- Integrated Tiling Flange
- Integrated Skirt (with access panel if equipped with a system)
- Left Hand Drain (drain assembly not included, typically purchased separately)

## SETUP AND INSTALLATION

---

Installation should be performed by a qualified professional in accordance with local plumbing and building codes. This section provides general guidelines.

### 1. Preparation:

- Ensure the installation area is clean, level, and structurally sound.
- Verify rough-in dimensions for plumbing and framing match the bathtub specifications.
- Unpack the bathtub and inspect for any shipping damage.

### 2. Framing:

- Construct an alcove framing that precisely fits the bathtub dimensions (59.75" L x 32" W).
- Ensure studs are plumb and square.

### 3. Drain Connection:

- Install the drain assembly (not included) according to the manufacturer's instructions.
- Connect the overflow and drain to the house plumbing. Ensure all connections are watertight.

#### 4. Setting the Bathtub:

- Carefully position the bathtub into the alcove.
- Ensure the integrated tiling flange rests against the wall studs.
- Level the bathtub using shims if necessary, ensuring proper slope towards the drain.

#### 5. Securing the Bathtub:

- Secure the tiling flange to the wall studs using appropriate fasteners (e.g., galvanized screws).
- Apply a continuous bead of silicone sealant along the top edge of the tiling flange where it meets the wall.

#### 6. Faucet Installation:

- Install the faucet and spout on the wide deck according to the faucet manufacturer's instructions.
- Connect hot and cold water lines.

#### 7. Final Checks:

- Fill the bathtub with water and check for leaks at all plumbing connections.
- Drain the bathtub to ensure proper drainage.

## OPERATING INSTRUCTIONS

Using your MAAX Exhibit bathtub is straightforward.

1. **Filling the Bathtub:**

- Ensure the drain stopper is closed.
- Turn on the hot and cold water faucets to achieve your desired water temperature.
- Fill the bathtub to a comfortable level, ensuring not to exceed the overflow drain.

2. **Draining the Bathtub:**

- Open the drain stopper.
- Allow all water to drain completely.

## MAINTENANCE AND CARE

Proper care will ensure the longevity and appearance of your MAAX Exhibit bathtub.

- **Regular Cleaning:** Clean the bathtub regularly with a soft cloth or sponge and a non-abrasive, mild liquid cleaner specifically designed for acrylic surfaces.
- **Avoid Abrasives:** Do not use abrasive cleaners, scouring pads, wire brushes, or harsh chemicals (e.g., acetone, paint thinner, strong acids or bases) as these can damage the acrylic finish.
- **Stain Removal:** For stubborn stains, use a diluted solution of white vinegar and water, or a specialized acrylic cleaner. Rinse thoroughly after cleaning.
- **Prevent Scratches:** Avoid dropping sharp or heavy objects into the bathtub.
- **Drain Maintenance:** Periodically remove and clean the drain stopper to prevent clogs.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Slow Drainage	Hair or debris in drain.	Remove drain stopper and clear any obstructions. Use a drain snake if necessary.

Problem	Possible Cause	Solution
Leaks around drain/overflow	Improperly sealed connections.	Tighten connections. Apply plumber's putty or silicone sealant as needed. Consult a professional if unsure.
Surface Scratches	Abrasive cleaning or sharp objects.	Minor scratches may be buffed out with a specialized acrylic repair kit. Prevent future scratches by using soft cloths and non-abrasive cleaners.
Water Stains/Mineral Deposits	Hard water residue.	Clean with a solution of white vinegar and water. Rinse thoroughly. Dry the tub after each use to prevent buildup.

## SPECIFICATIONS

- **Model:** 105520-L-000-001
- **Brand:** MAAX
- **Material:** Acrylic
- **Color:** White
- **Product Dimensions (L x W x H):**59.75" x 32" x 17.75"
