## KIRKLAND Minoxidil 6 Months

# Kirkland Minoxidil 5% Extra Strength Hair Loss Regrowth Treatment Men

Brand: KIRKLAND

## INTRODUCTION

---

The Kirkland Minoxidil 5% Extra Strength solution is a topical treatment specifically formulated for men to help regrow hair and reactivate hair follicles. This product is intended for individuals experiencing hair loss or thinning hair on the scalp.

## SAFETY INFORMATION

It is crucial to read and understand all safety information before using this product. This product is for external use only and is intended for use by men only.

- For external use only.
- For use by men only.
- Flammable: Keep away from fire or flame.
- Avoid contact with the eyes. In case of accidental contact, rinse eyes with large amounts of cool tap water.
- Do not apply on other parts of the body.
- Do not use if you are a woman, your amount of hair loss is different than that shown on the side of this carton or your hair loss is on the front of the scalp, you have no family history of hair loss, your hair loss is sudden and/or patchy, you do not know the reason for your hair loss, you are under 18 years of age, you use other medicines on the scalp, or your scalp is red, inflamed, infected, irritated, or painful.
- Ask a doctor before use if you have heart disease.
- Stop use and ask a doctor if chest pain, rapid heartbeat, faintness, or dizziness occurs; sudden, unexplained weight gain occurs; your hands or feet swell; scalp irritation or redness occurs; unwanted facial hair growth occurs; or you do not see hair regrowth in 4 months.

- May be harmful if used when pregnant or breast-feeding. Keep out of reach of children. If swallowed, get medical help or contact a Poison Control Center right away.

## INGREDIENTS

The primary active ingredient in Kirkland Minoxidil 5% Extra Strength is:

- **Active Ingredient:** Minoxidil 5% w/v
- **Inactive Ingredients:** Alcohol, propylene glycol, purified water

## SETUP

Before applying the solution, ensure your scalp and hair are completely dry. It is recommended to apply the solution in the morning and evening.

- Ensure the scalp is clean and completely dry before application.
- Remove the child-resistant cap from the bottle.
- Attach the dropper applicator provided with the product.

## OPERATING INSTRUCTIONS (DIRECTIONS)

---

Follow these steps for proper application:

1. Apply 1 mL with the dropper twice a day directly onto the scalp in the hair loss area.
2. Using more or more often will not improve results.
3. Continued use is necessary to increase and keep your hair regrowth, or hair loss will begin again.
4. Wash hands thoroughly after application.

For best results, consistency is key. Do not miss applications.

## MAINTENANCE AND STORAGE

---

Proper storage ensures the product's efficacy and safety.

- Store at controlled room temperature, between 20° to 25° C (68° to 77° F).
- Keep tightly closed.
- Keep out of reach of children.
- Store away from direct sunlight and heat sources due to its flammable nature.

## TROUBLESHOOTING

---

If you encounter issues or have concerns during use, consider the following:

- **No Hair Regrowth After 4 Months:** Some people may experience results in as early as 2 months, but it may take at least 4 months for results to be seen. If you do not see hair regrowth after 4 months of consistent use, consult a healthcare professional.
- **Side Effects:** If you experience any of the serious side effects listed in the Safety Information section (e.g., chest pain, rapid heartbeat, dizziness, swelling, unwanted facial hair growth), stop use immediately and seek medical attention.
- **Application Issues:** Ensure your scalp is dry and you are applying the correct dosage (1 mL) twice daily. Inconsistent application can hinder results.
