

Toysmith 4645

Toysmith STEM Learning 80-Piece Marble Run Building Toy Set

Model: 4645

INTRODUCTION

The Toysmith 80-Piece Marble Run is designed to challenge imagination and provide engaging play. This set allows for the construction of various marble run configurations using curved tracks, ramps, and chutes. Once assembled, marbles can be dropped to observe their path through the structure. This manual provides comprehensive instructions for assembly, operation, and care of your marble run set.

SAFETY INFORMATION

WARNING: CHOKING HAZARD - Small Parts.

This product contains small parts and marbles which may pose a choking hazard. Not suitable for children under 3 years of age. Adult supervision is recommended during assembly and play to ensure safe use. Keep all components away from infants and young children who may put non-food items in their mouths.

COMPONENTS

The Toysmith 80-Piece Marble Run set includes the following:

- Eighty (80) plastic pieces of various shapes, including curves, ramps, and chutes.
- Thirty (30) marbles.
- Assembly instructions.

All components are made from sturdy, colorful plastic designed for durability and ease of handling by small hands.

SETUP AND ASSEMBLY

The Marble Run components are designed for easy assembly, allowing for countless variations in track design. Follow the included assembly instructions to connect the pieces securely.

1. Unpack all components and verify that all 80 plastic pieces and 30 marbles are present.
2. Refer to the assembly instructions provided in the box for initial design ideas or create your own unique marble run structure.
3. Connect the curved tracks, ramps, and chutes by fitting the interlocking parts firmly together. Ensure all connections are stable to prevent the structure from collapsing during play.
4. Experiment with different configurations to observe how the marbles travel through various paths.

OPERATING INSTRUCTIONS

Once your marble run is assembled, operating it is straightforward:

1. Ensure the marble run is placed on a stable, flat surface to prevent accidental tipping.
2. Select one or more marbles to begin.
3. Drop the marbles into the designated starting point at the top of your constructed run.
4. Observe the marbles as they descend through the various tracks, ramps, and chutes.
5. Experiment with dropping marbles from different heights or in different sequences to see how they interact with the structure.

MAINTENANCE

To ensure the longevity and continued enjoyment of your Toysmith Marble Run, follow these simple maintenance guidelines:

- **Cleaning:** Wipe down plastic components with a damp cloth and mild soap if necessary. Avoid harsh chemicals or abrasive cleaners, as these can damage the plastic. Ensure all parts are dry before storage.
- **Storage:** When not in use, disassemble the marble run and store all pieces and marbles in their original packaging or a suitable container to prevent loss and damage. Store in a cool, dry place away from direct sunlight.

TROUBLESHOOTING

If you encounter any issues during play, consider the following common solutions:

- **Marbles getting stuck:** Check all connections to ensure pieces are firmly joined and aligned. Sometimes a slight misalignment can create a blockage. Ensure no foreign objects are in the tracks.
- **Structure instability:** Verify that the base pieces are on a flat, level surface. Re-check all connections to ensure they are securely snapped into place. For taller structures, ensure the weight is evenly distributed.
- **Missing pieces:** Carefully check the packaging and play area. If a piece is genuinely missing upon initial unboxing, contact Toysmith customer support.

SPECIFICATIONS

Product Dimensions	14.5 x 10.5 x 4 inches
Item Weight	1.85 pounds
Model Number	4645
Manufacturer Recommended Age	36 months - 15 years
Manufacturer	Toysmith
Release Date	December 10, 2018
