## Bell'O TPC2133

# Bell'O TPC2133 Triple Play TV Stand Instruction Manual

Model: TPC2133 | Brand: Bell'O

## INTRODUCTION

---

The Bell'O TPC2133 Triple Play TV Stand is a versatile audio/video system designed to accommodate flat panel TVs up to 60 inches or 125 pounds, along with multiple audio/video components. Its richly crafted design blends dark espresso finished solid wood legs with brushed nickel accents and black tempered safety glass shelves. This unit offers three configuration options and features a no-tools assembly process for quick setup.

## KEY FEATURES

---

- Triple Play Universal Flat Panel Audio/Video System, featuring 3 configuration options.
- Dark Espresso Finished Wood Legs with Brushed Nickel accents and Black Tempered Safety Glass.
- No-Tools Assembly and includes everything for any of the 3 configuration options.
- Open Architecture Design Provides Ventilation for your Components and the built-in CMS Cable Management System Hides and Organizes Unsightly Wires and Interconnect Cables.

## SETUP AND ASSEMBLY

---

The Bell'O TPC2133 TV Stand is designed for quick and easy assembly with no tools required. Follow the instructions provided in the packaging for detailed steps. The stand offers three primary configuration options:

1. **Base Stand Alone:** Use the unit as a three-shelf standalone table.
2. **Base Stand with Swivel Pole/TV Mount:** Attach your flat panel TV to the integrated swivel pole mount for an elevated display.
3. **Base Stand and Wall Mounted TV Mount:** The swivel mounting pole can be removed, allowing the TV to be hung on the included swivel wall mount, while the base stand serves as a media console.

## OPERATING INSTRUCTIONS

---

Once assembled, the Bell'O TPC2133 TV Stand provides a stable and organized platform for your entertainment system. The integrated swivel mount allows for optimal viewing angles, while the open architecture design ensures proper ventilation for your electronic components. The built-in CMS Cable Management System helps to hide and organize unsightly wires and interconnect cables, maintaining a clean and tidy appearance.

## MAINTENANCE

---

To maintain the appearance and longevity of your Bell'O TPC2133 TV Stand, simply wipe it with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish or glass surfaces. Ensure all connections and mounting hardware remain secure over time.

## TROUBLESHOOTING

---

If you encounter any issues with your Bell'O TPC2133 TV Stand, please review the assembly instructions to ensure all components are correctly installed. For persistent issues or concerns regarding stability, ensure the stand is placed on a level surface and that all connections are tightened. If problems persist, contact Bell'O customer support for assistance.
