2. IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- **Assembly Required:** This product requires assembly. Ensure all parts are present and accounted for before beginning.
- **Weight Limit:** The maximum weight recommendation for each chair is 275 pounds. Do not exceed this limit.
- **Stable Surface:** Always place the chair on a flat, stable, and level surface to prevent tipping.
- **Regular Checks:** Periodically check all bolts and screws to ensure they remain tight. Retighten as necessary.
- **Children:** Keep children away from the assembly area. Small parts can be a choking hazard.
- **Proposition 65 Warning:** This product may contain chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

3. ASSEMBLY INSTRUCTIONS

While specific step-by-step diagrams are not provided, the general assembly process for the Turino Dining Side Chair involves attaching the legs and backrest to the seat frame. Ensure all connections are secure before use.

General Assembly Steps:

1. Unpack all components and verify against the parts list (not provided in this manual, refer to packaging).

2. Attach the front legs to the seat frame using the provided hardware. Do not fully tighten screws yet.
3. Attach the back legs to the seat frame and backrest.
4. Ensure the chair is level, then gradually tighten all screws and bolts until secure. Avoid overtightening.
5. Place the chair on a flat surface and test for stability.

4. USAGE GUIDELINES

The Powell Turino Side Dining Chair is designed for indoor use as seating in dining areas, kitchens, or other appropriate living spaces. Ensure the chair is used on a stable, level surface.

- Do not stand on the chair.
- Avoid placing excessively heavy items on the chair.
- Do not use the chair as a step stool.
- Keep away from direct heat sources or prolonged sunlight to prevent material degradation.

5. CARE AND MAINTENANCE

Proper care will help maintain the appearance and longevity of your dining chairs.

- **Cleaning:** For general cleaning, wipe the wood frame with a soft, damp cloth. For upholstered areas, spot

clean with a mild fabric cleaner as needed. Always test cleaners on an inconspicuous area first.

- **Spills:** Blot spills immediately with a clean, dry cloth. Do not rub, as this can spread the stain.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, strong detergents, or chemical solvents on any part of the chair, as they may damage the finish or fabric.
- **Dusting:** Regularly dust the wood surfaces with a soft, dry cloth.

6. TROUBLESHOOTING

This section addresses common issues you might encounter with your dining chairs.

Chair Wobbles:

- **Check Assembly:** Ensure all bolts and screws are fully tightened. Loosen slightly, press down on the seat to level the chair, then retighten.
- **Uneven Floor:** Verify that the floor surface is even. If not, consider using furniture pads or shims under the shorter leg.

Loose Parts:

- **Retighten Hardware:** Over time, screws and bolts may loosen. Periodically inspect and retighten all hardware to maintain structural integrity.
