adidas G61111

adidas PRO SHELL G61111 Instruction Manual

Model: G61111

1. PRODUCT OVERVIEW

The adidas PRO SHELL G61111 is a classic high-top sneaker designed for comfort and style. Featuring a durable leather upper, synthetic lining, and a rubber sole, this model is suitable for everyday wear and casual activities. The design includes a lace-up closure and a flat heel type.

2. SETUP

2.1 Unpacking

- Carefully remove the sneakers from their packaging.

- Inspect the sneakers for any visible damage or manufacturing defects.
- Retain the packaging for future storage or returns, if necessary.

2.2 First Use

- Ensure the laces are properly threaded through all eyelets.
- Adjust the laces to achieve a comfortable and secure fit.
- Walk a short distance to ensure proper fit and comfort before extended wear.

3. OPERATING

3.1 Wearing Instructions

- Loosen the laces sufficiently before inserting your foot to prevent damage to the shoe structure.
- Slide your foot into the shoe, ensuring your heel is seated correctly.
- Tighten the laces evenly from the toe to the ankle for a snug fit without excessive pressure.
- Tie the laces securely to prevent them from coming undone during activity.

4. MAINTENANCE

4.1 Cleaning

- **Leather Upper:** For general cleaning, wipe the leather surface with a soft, damp cloth. For tougher stains, use a specialized leather cleaner according to its instructions. Avoid harsh chemicals or abrasive brushes.
- **Rubber Sole/Shell Toe:** Clean with a mild soap and water solution using a soft brush or cloth. Rinse thoroughly and air dry.
- **Laces:** Laces can be removed and hand-washed with mild soap and water, then air dried.
- **Drying:** Always air dry your sneakers at room temperature. Avoid direct sunlight or heat sources, as these can damage the materials.

4.2 Storage

- Store sneakers in a cool, dry place away from direct sunlight and extreme temperatures.
- If storing for extended periods, consider using shoe trees to help maintain their shape.
- Keep away from moisture to prevent mold or material degradation.

5. TROUBLESHOOTING

Issue	Possible Cause	Solution
Squeaking noise	Moisture inside the sole or friction between parts.	Ensure shoes are completely dry. Apply a small amount of talcum powder under the insole if the squeak persists.
Laces frequently untie	Improper knotting or worn laces.	Ensure laces are tied with a double knot. Consider replacing worn laces with new ones.
Unpleasant odor	Accumulation of moisture and bacteria.	Allow shoes to air out after each use. Use shoe deodorizers or baking soda. Ensure socks are clean and dry.

6. SPECIFICATIONS

- **Model Name:** Pro Shell
- **Model Number:** G61111
- **Brand:** adidas
- **Department:** Mens
- **Outer Material:** Leather
- **Sole Material:** Rubber
