## 2. SAFETY INFORMATION

---

Please read and understand all safety instructions before assembling or using the foosball table. Failure to follow these instructions may result in injury or damage to the product.

- **Adult Assembly Required:** This product contains small parts and requires adult assembly. Keep children away during assembly.
- **Heavy Item:** The foosball table is heavy (approximately 53 kg). Always use proper lifting techniques and seek assistance when moving or lifting the table to prevent injury.
- **Secure All Fasteners:** Ensure all screws, bolts, and other fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- **Stable Surface:** Place the table on a flat, stable surface. Use the leg levelers to ensure the table is balanced and does not wobble.
- **Avoid Excessive Force:** Do not apply excessive force to the playing rods, as this can cause damage to the table or injury to players.
- **Choking Hazard:** Keep foosball balls and small parts away from young children.

## 3. PACKAGE CONTENTS

---

Carefully unpack all components and verify that you have received all items listed below. If any parts are missing or damaged, contact customer support before proceeding with assembly.

- Foosball Table Cabinet Panels (Sides, Ends, Bottom)
- Legs (4)
- Playing Rods (8)
- Foosball Players (Red and Black teams)
- Octagonal Wood Handles (8)
- Internal Ball Return System Components
- Abacus Scoring Units (2)
- Integrated Cup Holders (2)
- Adjustable Leg Levelers (4)
- Foosball Balls (4)
- Assembly Hardware (screws, bolts, washers, nuts, Allen wrench)

**Weighted Balanced Men Allows players to Shoot Ball without Other Rods Blocking the Shot**

**Solid Steel Rods with Solid Wood Handles**

### Step-by-Step Assembly:

1. **Unpack and Organize:** Lay out all components on a clean, soft surface to prevent scratches. Identify all parts against the package contents list.
2. **Assemble the Cabinet Base:** Attach the side and end panels of the table cabinet using the provided hardware. Ensure all connections are secure.
3. **Install Ball Return System:** Secure the internal ball return components and the ball entry chutes within the cabinet.
4. **Attach Legs:** Fasten the four legs to the assembled cabinet base. Ensure they are firmly attached and stable.
5. **Install Leg Levelers:** Screw the adjustable leg levelers into the bottom of each leg. These will be used to stabilize the table later.
6. **Insert Playing Rods:** Slide the playing rods through the designated holes in the cabinet. Attach the foosball players to the rods, ensuring they face the correct direction for their respective teams. Secure players with the provided screws.
7. **Attach Handles:** Secure the octagonal wood handles to the ends of the playing rods.
8. **Install Scoring Units:** Mount the abacus scoring units to the top rails of the table.
9. **Attach Cup Holders:** Secure the integrated cup holders to the exterior of the table, typically at the corners.

10. **Final Inspection and Leveling:** Once fully assembled, carefully flip the table upright with assistance. Adjust the leg levelers until the playing surface is perfectly flat and stable.

## 5. OPERATING INSTRUCTIONS

---

The Atomic Gladiator Foosball Table is designed for intuitive play. Here are basic instructions to get started:

### Starting a Game:

- Place one of the four included foosball balls into the ball entry chute located on the side of the table.
- Players use the handles to control their respective foosball figures, moving them side-to-side and rotating them to strike the ball.

### Scoring:

- When a ball enters the opponent's goal, a point is scored.
- Use the abacus scoring units located on the table's side rails to keep track of points. Slide the beads to indicate the current score.
- The ball will be returned via the internal ball return system for the next serve.

## 6. MAINTENANCE

---

Regular maintenance will extend the life and performance of your foosball table.

- **Cleaning the Playfield:** Use a soft, damp cloth to wipe down the playing surface. Avoid abrasive cleaners or excessive moisture.
- **Rod Maintenance:** Periodically clean the playing rods with a soft cloth. For smoother operation, apply a small amount of silicone-based lubricant to the rods where they pass through the table bushings. Avoid oil-based lubricants as they can attract dust and debris.
- **Check Fasteners:** Regularly inspect all screws, bolts, and connections. Re-tighten any loose fasteners to maintain table stability and structural integrity.
- **Storage:** When not in use for extended periods, store the table in a dry, temperature-controlled environment to prevent warping or damage to the engineered wood components.

## 7. TROUBLESHOOTING

---

If you encounter issues with your foosball table, refer to the following common problems and solutions:

- **Stiff or Sticky Rods:** If playing rods are difficult to move, clean them thoroughly and apply a silicone-based lubricant to the rod surfaces and bushings.
- **Uneven Playing Surface:** Use the adjustable leg levelers to raise or lower each corner of the table until the playing field is perfectly level.
- **Wobbling Table:** Check all leg and cabinet fasteners and tighten any that are loose. Ensure the table is on a flat surface and adjust leg levelers.
- **Players Not Secure:** Ensure the screws attaching the players to the rods are fully tightened.

## 8. SPECIFICATIONS

---

Feature	Detail
Model Number	G01889W
Brand	Atomic
Product Dimensions (L x W x H)	56" x 31.25" x 34.75"
Item Weight	53 Kilograms
Material	Engineered Wood (MDF)
Playing Rods	5/8" Solid Chrome Steel
Number of Players	4
Assembly Required	Yes
