## Monarch Specialties I 7027

# Monarch Specialties Hollow-Core Desk

MODEL I 7027 - WHITE & SILVER

*Instruction Manual*

### Product Overview

---

The Monarch Specialties Hollow-Core Desk, Model I 7027, is a versatile and stylish addition to any home office. This 48-inch long desk features a durable hollow-core construction and a sleek white finish with silver accents. It includes a mobile filing cabinet that can be positioned on either the left or right side, offering flexible setup options to suit your space and needs. The desk provides ample surface area for your computer, accessories, and other work essentials, while the integrated drawers help keep your workspace organized.

## Operating Instructions

The Monarch Specialties Hollow-Core Desk is designed for functional use in various settings, including home offices, bedrooms, and dormitories. Its key features include a spacious work surface and a three-drawer filing cabinet.

- **Reversible Configuration:** The desk can be assembled with the drawer pedestal on either the left or right side to best fit your room layout.
- **Drawer Functionality:** The desk includes two medium-sized drawers and one file drawer. The file

drawer is designed to accommodate both standard and legal-sized folders, providing versatile storage for documents.

- **Adjustable Shelves:** Utilize the adjustable shelves within the desk for customized storage solutions.

## Maintenance

---

Proper care will ensure the longevity and appearance of your desk.

- **Cleaning:** Wipe the desk surfaces with a damp cloth to remove dust and spills. Avoid harsh chemicals that may damage the finish.
- **Scratch Resistance:** The desk features a scratch-resistant laminate top, but it is advisable to use coasters and desk pads to protect against excessive wear.

## Safety Information

---

Please observe the following safety guidelines during assembly and use:

- Always assemble this desk with two people.
- Secure the desk to the wall using appropriate hardware to prevent tipping.
- Do not place heavy items on the desk that could cause it to tip over.
- Keep the desk away from heat sources to prevent warping.
