Coolaroo 458959

Coolaroo Original Elevated Dog Bed Instruction Manual

Model: 458959 | Size: Large | Color: Nutmeg

INTRODUCTION

The Coolaroo Original Elevated Dog Bed is designed to provide a comfortable, breathable, and supportive resting place for your pet. Its off-the-ground design promotes continuous airflow, which helps to prevent hot spots and keep pets cool. This elevated structure also reduces pressure on joints, making it suitable for pets of all ages and breeds. Constructed from 100% recyclable, moisture-resistant HDPE fabric, the bed is easy to clean and free from harmful toxins, ensuring a safe environment for your companion. It is ideal for both indoor and outdoor use, offering a versatile solution for your pet's comfort.

PARTS INCLUDED

Before assembly, ensure all the following parts are present:

- 1 x Pet Bed Fabric (Nutmeg)
- 4 x Rounded Legs
- 2 x Tapered Side Bars
- 4 x Screws
- 4 x Spring Washers
- 4 x Plastic Inserts
- 1 x Tension Adjustment Tool (Allen wrench)

ASSEMBLY INSTRUCTIONS

Follow these steps to assemble your Coolaroo Elevated Dog Bed:

1. Lay out all components on a clean, flat surface to ensure easy access.
2. Insert the two tapered side bars into the fabric sleeves located along the longer edges of the pet bed fabric.
3. Attach the four rounded legs to the side bars. Align the holes and secure them using the provided screws and spring washers. Ensure all connections are tightened securely with the tension adjustment tool (Allen wrench).
4. Slide the plastic inserts into the open ends of the legs to protect floors and provide additional stability.
5. Verify that the fabric is taut and evenly stretched across the frame. Adjust screws if necessary to achieve optimal tension.

FEATURES AND BENEFITS

The Coolaroo Original Elevated Dog Bed offers several advantages for your pet:

- **Breathable Cooling Fabric:** The unique HDPE fabric weave promotes continuous 360-degree airflow, preventing heat buildup and keeping your pet cool and comfortable, especially in warmer climates.
- **Supports Joint Health:** The elevated design lifts your pet off hard surfaces, reducing pressure points and supporting mobility. This is particularly beneficial for older dogs or those with arthritis.
- **Indoor or Outdoor Use:** Its lightweight and portable design makes it easy to move, allowing for use on patios, decks, or inside your home.
- **Eco-Friendly & Pet Safe:** Made from 100% recyclable material, the fabric is free from harmful toxins, lead, and phthalates, ensuring your pet's safety.
- **Moisture-Resistant & Easy Clean:** The HDPE fabric resists damage from damp conditions and prevents moisture buildup. It can be easily hosed off or wiped clean for a quick refresh.

USAGE GUIDELINES

To ensure your pet gets the most out of their elevated bed:

- **Placement:** Choose a location that offers comfort and shade, especially if used outdoors. The elevated design naturally keeps your pet cooler than resting on the ground.
- **Pet Comfort:** Introduce your pet to the bed by placing their favorite toy or a familiar blanket on it. The

supportive surface is designed for optimal comfort and can help alleviate pressure on joints.

- **Weight Capacity:** This Large size bed is designed to comfortably support pets up to 100 lbs (45 kg).

MAINTENANCE AND CARE

Maintaining your Coolaroo Elevated Dog Bed is simple:

- **Routine Cleaning:** For everyday dirt or pet hair, simply wipe down the fabric with a damp cloth or brush off debris.
- **Deep Cleaning:** For a more thorough clean, the bed can be hosed off with water. The HDPE fabric is designed to dry quickly and resist mildew.
- **Replacement Covers:** Over time, the fabric cover may show signs of wear. Replacement covers are available to extend the life of your bed. To replace the cover, unscrew the frame components, slide off the old cover, and slide on the new one before reassembling.
