Storkcraft Tuscany 4-in-1 Convertible Crib

Storkcraft Tuscany 4-in-1 Convertible Crib Instruction Manual

Model: Tuscany 4-in-1 Convertible Crib

Brand: Storkcraft

INTRODUCTION

Thank you for choosing the Storkcraft Tuscany 4-in-1 Convertible Crib. This crib is designed to provide a safe and comfortable sleeping environment for your child, adapting as they grow from infancy through toddlerhood and beyond. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

SAFETY INFORMATION

WARNING:

- Always follow the assembly instructions carefully.
- Do not use this crib if any parts are missing, damaged, or broken. Contact Storkcraft customer service for replacement parts.
- Ensure all bolts and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- The mattress support must be in the lowest position once your child can pull themselves to a standing position.
- Do not place the crib near windows where cords from blinds or drapes could strangle a child.
- Do not place items with a string or cord around a child's neck, such as hood strings or pacifier cords.
- This crib is JPMA certified and complies with all applicable federal safety standards.

WHAT'S IN THE BOX

The Storkcraft Tuscany 4-in-1 Convertible Crib includes all necessary components for assembly. A detailed parts list can be found in the separate assembly instructions provided with your product. Please verify all parts are present and undamaged before beginning assembly.

Note: Toddler safety rail, full-size bed frame, and mattress are NOT INCLUDED and must be purchased separately for conversion.

SETUP AND ASSEMBLY

Assembly of the Storkcraft Tuscany 4-in-1 Convertible Crib requires two adults. Follow the step-by-step instructions provided in the separate assembly manual. Ensure you have a flat, clear workspace and the necessary tools (typically a Phillips head screwdriver and an Allen wrench, which is usually included).

OPERATING INSTRUCTIONS

Adjusting Mattress Height

The Storkcraft Tuscany Crib features a 3-position adjustable mattress support base. This allows you to lower the mattress as your child grows and becomes more mobile, ensuring their safety.

1. To adjust the mattress height, remove the mattress from the crib.
2. Locate the mattress support brackets on the inside of the crib ends.
3. Carefully unfasten the hardware securing the mattress support at its current level.
4. Move the mattress support to the desired height (higher for newborns, lower for active infants and toddlers).
5. Securely fasten the hardware at the new position. Ensure all bolts are tight.

CONVERSION INSTRUCTIONS

The Tuscany 4-in-1 Convertible Crib can transform into a toddler bed, daybed, and full-size bed. Each conversion requires specific additional parts (sold separately) and adherence to the provided conversion instructions.

Crib to Toddler Bed Conversion

To convert the crib to a toddler bed, the front rail of the crib is removed and replaced with a toddler safety

rail (sold separately). Refer to your toddler rail instructions for specific steps.

Crib to Daybed Conversion

To convert the crib to a daybed, the front rail of the crib is completely removed. No additional parts are typically required for this conversion, but ensure the mattress support is at the lowest setting.

Crib to Full-Size Bed Conversion

To convert the crib to a full-size bed, both side rails of the crib are removed. The headboard and footboard (which are the original crib ends) are then attached to a full-size bed frame (sold separately).

MAINTENANCE AND CARE

To maintain the quality and safety of your Storkcraft Tuscany Crib, follow these care guidelines:

- **Cleaning:** Wipe with a damp cloth. Avoid abrasive cleaners or strong chemicals that could damage the finish.
- **Inspections:** Periodically check all screws, bolts, and fasteners to ensure they are tight. Re-tighten as needed.
- **Storage:** If storing the crib, ensure it is in a dry, temperature-controlled environment to prevent warping or damage.
- **Finish:** The crib is made of wood with a white finish. Avoid sharp objects that could scratch or chip the paint.

TROUBLESHOOTING

If you encounter any issues with your Storkcraft Tuscany Crib, consider the following common solutions:

- **Wobbly Crib:** Ensure all assembly hardware is fully tightened. If the issue persists, disassemble and

reassemble, carefully following the instructions.

- **Difficulty Adjusting Mattress Height:** Check that the mattress support brackets are aligned correctly with the designated holes. Do not force parts.
- **Missing or Damaged Parts:** Do not attempt to use the crib with missing or damaged parts. Contact Storkcraft customer service immediately for replacements.

For further assistance, refer to the support information in the Warranty and Support section.
