# Teenage Mutant Ninja Turtles: The Complete Classic Series Collection DVD Manual

Model: B009474UW4

## INTRODUCTION

---

This manual provides instructions for the proper setup, operation, and maintenance of your Teenage Mutant Ninja Turtles: The Complete Classic Series Collection DVD set. This 23-disc DVD set contains the complete original animated series of Teenage Mutant Ninja Turtles, encompassing all 10 seasons. It features the adventures of Leonardo, Donatello, Raphael, and Michelangelo, guided by their Sensei, as they encounter various adversaries such as Krang, Shredder, and Lord Dregg, and navigate challenges including mutations.

## SETUP

---

### Unboxing and Disc Access

The DVD collection is housed within a custom van-shaped case. To access the discs:

1. Carefully remove the van-shaped case from its packaging.
2. The roof of the van serves as the lid. Gently lift the roof to reveal the disc trays inside. Note that the roof does not snap into place and rests loosely on top of the van.
3. The discs are stored in cut-out trays, with multiple discs often stacked on a single spindle. To remove a disc, gently pull it from its position. Exercise caution to avoid bending or scratching the discs during removal and replacement.

Image: The van-shaped case with its lid open, revealing the stacked DVD discs and an accompanying booklet. This illustrates how the discs are stored within the collection's unique packaging.

## Initial Inspection

Before first use, inspect all 23 discs for any visible damage such as scratches or cracks. Ensure all discs are present according to the episode list provided (if any) or the disc numbering.

## OPERATING INSTRUCTIONS

---

### Playing a Disc

1. Insert the desired DVD into a compatible DVD player.
2. The disc will typically auto-play or present a main menu after a short period, which may include unskippable piracy warnings and studio logos.
3. Navigate the disc menu using your DVD player's remote control to select episodes or bonus features.

### Audio and Subtitles

- The primary audio track for all episodes is English. No alternative audio languages are available.
- English subtitles are available on the discs. Access these through your DVD player's subtitle menu if desired.

Image: The complete collection, showing the van-shaped case surrounded by the individual DVD discs, each featuring character artwork. This visual aids in identifying the discs.

## MAINTENANCE

### Disc Care

- Handle discs by their edges or the center hole to avoid fingerprints and smudges on the playing surface.
- To clean a disc, gently wipe it with a soft, lint-free cloth from the center outwards. Do not use abrasive cleaners or solvents.
- Store discs in their designated slots within the van case when not in use to prevent scratches and dust accumulation.

### Case Care

- Keep the van-shaped case in a stable, upright position to prevent discs from falling out, as the disc trays are open and the lid rests loosely.
- Wipe the exterior of the case with a dry or slightly damp cloth as needed.
- Store the collection away from direct sunlight and extreme temperatures to preserve the discs and case.

## TROUBLESHOOTING

## Disc Playback Issues

- **Disc not playing or skipping:** Ensure the disc is clean and free of smudges or scratches. Try playing the disc in another DVD player to rule out player-specific issues.
- **No audio or video:** Check all cable connections between your DVD player and television/audio system. Verify that the correct input source is selected on your television.

## Episode Order Discrepancies

Some users have reported that a small number of episodes across the series may be presented out of their original chronological broadcast sequence. If you wish to watch the series in strict chronological order, it is recommended to consult an external episode guide (e.g., online databases) to verify the correct viewing order for specific discs or seasons.

## SPECIFICATIONS

- **Product Title:** Teenage Mutant Ninja Turtles: The Complete Classic Series Collection
- **Model Number (ASIN):** B009474UW4
- **Studio:** Lionsgate
- **Number of Discs:** 23
- **Run Time:** Approximately 72 hours and 58 minutes
